YALUMBA
FAMILY VIGNERONS c. 1849

Five generations and 167 years later Yalumba, Australia's most historic family owned winery, has grown in size and stature, embodying all that has made the Australian wine success story the envy of winemakers the world over

Fred Caley Smith was a born adventurer and enquirer. In 1893, he undertook a global journey of discovery to the USA, Canada, UK, Europe, the Middle East, India and Sri Lanka, meeting with other horticulturists, taking cuttings, planting material and promoting Yalumba wines. It was a seminal journey that positioned Yalumba as a leader in Australian wine and fruit growing.

Premium Wines by the Glass

The Coravin™ wine preservation system has allowed us the opportunity to bring you a sample of exceptional wines by the glass. The Coravin™ works by inserting a needle through the cork which allows us to access the wine without opening the bottle and exposing it to oxygen. Argon gas is used to displace the wine, which keeps the rest of the bottle in pristine condition.
