Exclusive Hire Winter/26

Welcome to Windsor’s worst-kept secret.

Lee Lee isn’t just dinner and drinks, it’s a full-blown house party disguised as a restaurant.

Tucked-away corners for plotting, an upstairs karaoke den for only-the-chosen-few, and the kind of vibe you’ll still be grinning about tomorrow.

Book out the whole house, make it yours, and let us throw you the event to end all others.
