*The Bible in One Night* is a fast-paced, engaging workshop that walks through the entire story of Scripture, from Genesis to Revelation, in a single evening. Instead of getting lost in details, you'll see the big picture: how every part of the Bible connects and points to a unified story of God's purpose and redemption. Whether you're new to the Bible or have read it for years, this experience will help you understand it more clearly and confidently.

In an ever-changing world that seems to reward new ways of thinking, there is one message that is never changing. This is the message of the United Methodist Church: *To make disciples of Jesus Christ to transform the World*. Join us as we take a deep dive into why we are United Methodist through examining the Identity, Theology, and Mission of the United Methodist Church and why its message of the "good news" is even more relevant today.

- **Laughing and Crying Through the Old Testament**

**Wednesday August 12<sup>th</sup> 6:30-8:00pm – Presenter: Karson Davis – North Oak**

The Old Testament is full of more than laws and serious stories; it also contains surprising humor, honest grief, sharp questions, and deep emotion. In this one-night Digging Deeper workshop, we'll explore how biblical writers used both laughter and lament to reveal who God is and what it means to be God's people. Together we'll look at stories that may make us smile, texts that give voice to suffering, and discover how these often-overlooked parts of Scripture invite us into a richer, more honest faith.
