

TORONTO INTERNATIONAL ACADEMY

**JANUARY 2026
NEWS LETTER**

Annual Sport Day

One of the highlights of the month was our annual Sports Day, where students visited Sky Zone, a popular trampoline park. The event provided a fun and active opportunity for students to bond with their peers, stay physically active, and enjoy a break from their regular routines. Laughter and team spirit filled the day, making it a memorable experience for everyone involved.

OUAC application deadline approaching...

January also marked an important milestone for our graduating students, as the OUAC application deadline on January 15 approached. In the weeks leading up to this date, our dedicated teachers and guidance counsellor worked closely with students, offering support and advice to ensure their university applications were completed successfully and on time.

TIA application workshop

In addition to application support, the school also hosted small group workshops and one-on-one sessions focused on personal statement writing, program selection, and interview preparation. These sessions gave students greater confidence and clarity as they planned their next steps beyond high school.

TIA Seniors application check!

With applications submitted, excitement continued to build as students began receiving their first university offers. These early acceptances brought a sense of accomplishment and motivation, encouraging students to stay focused and continue striving toward their academic goals.
