PROCESS

01

Consultation Call

During this call we discuss your wedding theme, more about your preferred color palette, floral preferences, and any other special details that are important to you.

02

Detailed Proposal

I will create a detailed proposal based on our call to give you a great idea of how your vision will play out.

03

Booking &Retainer

Once you're ready to move forward, a retainer secures your wedding date.

04

Refine Details

As your wedding gets closer, we'll revisit the details and make any needed adjustments as your plans come together.

05

Final Details

Approximately one month before your wedding, we'll confirm final quantities, flower selections, rentals and other important details.

Wedding Floral Investment

FULL SERVICE WEDDING FLORAL DESIGN

Beginning at $7,000

Your wedding flowers are designed specifically for you- Rather than offering set packages. each proposal is created around your vision, venue, season, guest count and overall feeling you want for your celebration.
Full-service floral design may include personal flowers, ceremony florals, reception centerpieces, statement installations and other custom floral details.
As your plan takes shape, we'll work together to determine where flowers will have the most impact while creating a cohesive design throughout the day.

Delivery, setup, installation, repurposing and breakdown are quoted separately based on the needs of each event.
