## High School Dual Enrollment Program/Form

If you are a junior or senior in high school and want the challenge of college-level academic studies, consider the dual enrollment program at Urshan University.

You may qualify for the dual enrollment program if you are a high school junior or senior or if you will enter the junior or senior level at the time of dual enrollment, and have at least a 3.0 cumulative GPA.

Inquire about the opportunities for pursuing challenging academic studies above and beyond the high school curriculum. Talk with your parents/guardians and your high school counselor to see if you can expand your educational background by taking college-level courses.

**Note: Students participating in the dual enrollment program are not eligible for financial assistance; however, failure to successfully complete courses through the dual enrollment program may impact future financial aid eligibility.**

### **How to apply:**

1. Complete a high school dual enrollment application at [urshan.edu](http://urshan.edu) and complete the dual enrollment form below, answering all questions.
2. See your high school counselor or principal for approval and completion of the section for High School Officials (If homeschooled, parent should sign verifying GPA)
3. Have your parents/guardian sign for approval to enroll.
4. Upon their acceptance to the College, students may be required to meet with an academic advisor before registering for classes.
5. Mail the completed form to:
