Required Creative Partners

In order to provide our clients and guests with the highest level of service, Sanctuary has established a curated list of required vendors for event needs. These vendors have been carefully selected based on past experience and client feedback, and each is known for delivering exceptional service and a seamless event experience. All events hosted at Sanctuary are required to utilize vendors from this approved list to ensure consistency, quality, and overall guest satisfaction.

PLANNERS

While a full-service planner is not required for events at Sanctuary, any outside planner or coordinator must be selected from our approved vendor list.

Each event includes an on-site Sanctuary coordinator who assists with all venue-related details, including food and beverage, floorplans, timelines, and logistics.

If you choose to work with an outside planner, they will collaborate with our team while focusing on personal details and design elements beyond the venue scope.

Recommended Creative Partners

To provide our clients and guests with the best possible service, Sanctuary has created a list of recommended vendors for your additional event needs. These vendors have been selected based on past experience and client feedback, and each consistently delivers a high level of service and customer satisfaction. While you are welcome to choose vendors outside of this list, all outside vendors must be approved by Sanctuary prior to booking to ensure they meet our standards.
