From the Artistic Director,

Every year I feel so grateful to have such an incredible staff lead us to this special day! The growth this program has seen is a true testament to our amazing faculty and supportive owners Alicia and Kevin. Thank you to every person who helps make our annual recital possible. I appreciate all of you so much and could not do it without you!

To our Republic families, I'm so thankful you chose **REPUBLIC** for your child to cultivate their passion for dance! We are truly blessed to be a part of your children's dance journey and love watching them grow. Today is such a special day for them and we hope you enjoyed watching them all! From our tiny 2-year-olds to our graduating class of 2026, they each hold such a special place in our hearts! Please spread the word of Republic Dance to friends and family! We hope to see your family continuing with Republic next season. Have a great summer!

-Christina Sefara
