CLASSIC COIN COFFEE TABLE

A centered expression of balance and lineage

The Classic Coin Coffee Table anchors a space with quiet confidence. Its cast metal legs curve gently beneath a floating stone surface, while the inset PARISII coin marks each connection point as a signature of craft and continuity.

CLASSIC COIN CONSOLE TABLE

Heritage rendered in contemporary line

The Classic Coin Console Table bridges classical symbolism and modern design. Its cast metal legs are articulated with sculptural precision, connected by inset PARISII coin—subtle emblems inspired by the ancient Parisii tribe’s gold medallions, symbols of artistry and cultural exchange.

A floating stone top introduces lightness, allowing the structure below to breathe.
