MICHELLE WARNER AND MADDIE JOHNSON HOST CHERRY HILLS VILLAGE POLICE FOUNDATION DINNER

*An Evening of Community
and Commitment in Old
Cherry Hills*

ON A BEAUTIFUL EVENING in Old Cherry Hills Village, neighbors and friends gathered at the home of Michelle and Bobby Warner for a special event in support of the Cherry Hills Village Police Foundation. Co-hosted by Maddie Johnson, the evening brought together a wonderful mix of longtime residents, new faces, and a shared appreciation for the community we all call home.

Michelle Warner and Maddie Johnson, both with LIV Sotheby's International Realty, opened their doors to create a warm and welcoming setting where conversation flowed easily and connections were strengthened. It was an evening that perfectly reflected the spirit of Cherry Hills Village — close-knit, supportive, and deeply invested in one another.

A highlight of the evening was a presentation from Cherry Hills Village Police Chief Jason Lyons, who shared insights into policing in our community and the unique needs of a department committed to excellence. Chief Lyons spoke about the importance of ensuring that officers are equipped not only with the right tools and technology, but also with the training and wellness support necessary to perform at the highest level.

Guests were also treated to a special K9 demonstration by Officer Darion Ives and K9 Tuco, along with Officer Michael Anderson and K9 Shadow. The teams showcased the dogs' impressive drug detection capabilities, strict obedience,

and pursuit tactics, offering a firsthand look at the skill and discipline required for this work. These remarkable K9s, paired with their dedicated handlers, are an invaluable asset to the department.

Both Tuco and Shadow were made possible through generous donations to the Foundation and have already made a meaningful impact on the safety and security of Cherry Hills Village.

Members of the Cherry Hills Village Police Foundation Board of Directors were also in attendance, reinforcing the strong partnership between the Foundation and the community it serves. As a fully volunteer-driven organization, the Foundation operates with a unique model: all operational expenses are covered through board contributions and interest income, allowing every dollar donated to go directly toward supporting the police department.

The evening was a meaningful reminder of what makes Cherry Hills Village so special — a community that shows up, supports one another, and

stands firmly behind those who serve it every day.

In Cherry Hills Village, it's this kind of connection and commitment that continues to make our community not

only a beautiful place to live, but an exceptional place to call home.
