**MARCH 2026  
NEWS LETTER**

## Student Snack Party

March was a lively and memorable month at TIA, filled with celebration, relaxation, and exciting changes around the school. One of the most enjoyable moments was our Snack Party, where students gathered to share a variety of treats, unwind, and spend quality time with friends. The event created a warm and welcoming atmosphere, strengthening connections within the school community.

## March Break

Students also looked forward to March Break, a well-deserved pause from their academic routines. Many took this time to rest, recharge, and return to school feeling refreshed and ready to continue their studies with renewed focus.

# Class of 2026 Graduation Ceremony

A major highlight of the month was the Graduation Ceremony, where we proudly celebrated the achievements of our graduating students. It was a meaningful occasion filled with joy, reflection, and excitement for the future, as students marked an important milestone in their academic journey.

## New Facilities Installation

March also brought a fresh new look to TIA with the installation of a new school door. This update not only improved the appearance of the campus but also symbolized growth and positive change within our school environment.

## Student-led Tutoring

In addition, student-led tutoring continued to play an important role in academic success. Many students supported one another through peer tutoring sessions, fostering collaboration, confidence, and a strong sense of teamwork.
