TIPS FOR A SUCESSFUL PHOTO DAY!

PLEASE BE 15 MINUTES EARLY!– We know how valuable your time is. We work diligently with the DS to make an efficient schedule. ...please remember that your promptness directly affects others.

When you arrive, you'll be attending to your dancer... fixing hair, putting on tights and shoes, minimize the chaos by **FILLING OUT FORMS AHEAD!** Dancers must have a form IN HAND before we can snap their photo!

To maintain our schedule and ensure efficiency, individual dancer photos are taken only when an individual photo or package is ordered. Proof photos are not taken for deferred ordering.

SIBLING PHOTOS AND SPECIAL REQUESTS

We're happy to accommodate sibling or friend photos when time allows—In order to ensure accuracy, **A separate order form is required** for these photos, even if dancers are in the same class. **Do not include special photo requests on the same form as individual/group dance photos. Request a sibling form from the DS front desk.**

Clearly note your request on the order form.

A NOTE TO THE GROWN UPS...

Sixteen youngster's, dressed in tutu's and tap shoes....what could be more adorable? (or more distractable?)

To keep the distractions to a minimum, only DS staff will be allowed in the photo studio. Parents, guardians, siblings & friends are welcome to wait in the designated waiting area.
