KAI PHOTO AND FILM

WELCOME!

i'm so happy you're here!

Thank you SO much for considering me as your photographer!
I love celebrating all of life's moments, no matter what season. Maybe you just graduated high school. Maybe you just got engaged, or maybe you're having a baby! Whatever it is, it deserves to be documented.

Whether you're comfortable in front of the camera or have absolutely no idea what to do with your hands, I've got you. I'll guide you through the whole thing while leaving plenty of room for the real laughs, the in-between moments, and all the things that make your relationship or season of life uniquely yours.

So, put on something you love and let's make magic!
