

Blue Crab Fence Warranty Information

When most contractors walk away after a single year of basic coverage, Blue Crab Fence & Home protects your investment for the long haul. We offer three distinct warranty tiers that completely shatter the industry standard:

- **Jumbo Lump (Ultimate Peace of Mind):** Our premier tier provides comprehensive protection for your investment, ensuring your fence looks and performs flawlessly for decades.
- **Blue Crab Certified (Premium Protection):** Our most popular package. This tier delivers the exact same elite material and structural coverage as our top tier, tailored perfectly for the everyday homeowner.
- **Builder's Grade (The Strong Foundation):** A serious upgrade over the typical contractor baseline, providing reliable, upgraded protection that gives you absolute confidence in your new fence.
