REGIONAL
TRAVEL
GUIDE

local maine resource guide

French's Point is located in the heart of the mid coast region. Visitors have access to some of Maine's best restaurants, shops, galleries, & recreational activities. Explore the quintessential coastal village & towns of Belfast, Blue Hill, Bucksport, Camden, Castine, Ellsworth, & Searsport.

Fly into Boston MA (BOS), Portsmouth NH (PSM), Portland ME (PWM), or Bangor International Airport (BGR), a short 40-minute drive from French's Point. Because the area is ripe with attractions in every direction, the mid coast is best enjoyed by car.

Bus, taxi, & car services are also available in the region, with advanced reservation.
