
YC5577-40 See The Northern Lights in Canada

Yukon, Canada

Yukon, Canada for Four Days & Three Nights at the Edgewater Hotel for Two, Including an Evening Tour to View the Aurora Borealis (Land Only)

Located overlooking the iconic Yukon River across from the historic White Pass and Yukon Route Train Station, the Edgewater Hotel has operated since the days of the Klondike Gold Rush serving train and paddle wheeler passengers on their way to the goldfields in Dawson City. Today, the Edgewater remains in the heart of the action, steps away from offices, shops, parks, museums, galleries and the eclectic restaurant scene... not to mention the scenic waterfront trails! Head into the Canadian wilderness and admire one of Mother Nature's most spectacular light shows on a 4-hour evening Aurora viewing from Westmark. Travel with your guide into the wilds of Canada's Yukon Territory, where clear starry skies offer excellent opportunities to see the Aurora Borealis, or Northern Lights. Gaze upward and marvel at the vibrant green, purple, yellow and red hues lighting up the skies!

Your trip for two includes:

- 4 days/3 nights accommodations at the Edgewater Hotel in a king- or queen-bedded room
- Four-hour evening tour to view the Aurora Borealis in the wilds of Canada's Yukon Territory
- All room-related taxes
- Free concierge reservation service
