HEY, I'M LINNIE

I am beyond excited you have reached out to me for some of the most important photography you will ever have done. If you couldn't get the vibe from my website, or our previous contact- I LOVE love. Love stories have always been my favorite.

Now I get to capture them from behind a lens. I truly feel blessed. If you have made it this far we are on our way to becoming great friends.

That is how I treat my clients, as friends, as humans, as lovebirds who are here to have their story told. Throughout this pricing guide there is a lot of information on what I can provide you on your big day. I can't wait to capture memories with you.

A FOREVER KIND OF LOVE

L. BRILEY PHOTOGRAPHY

WHAT TO EXPECT

My style is filmy/ true to color, with a slight bit of warmth. Bold skies and me are best friends. If a sunset is available for that golden look- lets get that glare. I try to mix it up between candid, and traditional posing so you get the best of both worlds. If you prefer one or the other be sure to mention it to me in the booking process.

Expect that I go out of my way to remind you how amazing you, your love, and story are.

HOW BOOKING WORKS

Once you get the chance to review this pricing guide, and you get a feel for what package you are looking at we should schedule a call. I will reach out within 48 hours after sending this over to see if you are ready to schedule a call., or if you have questions.

We review your needs, confirm date and package. Afterwards I send a contract over with a 30% deposit invoice. Once you have signed your contract and paid your date is reserved.

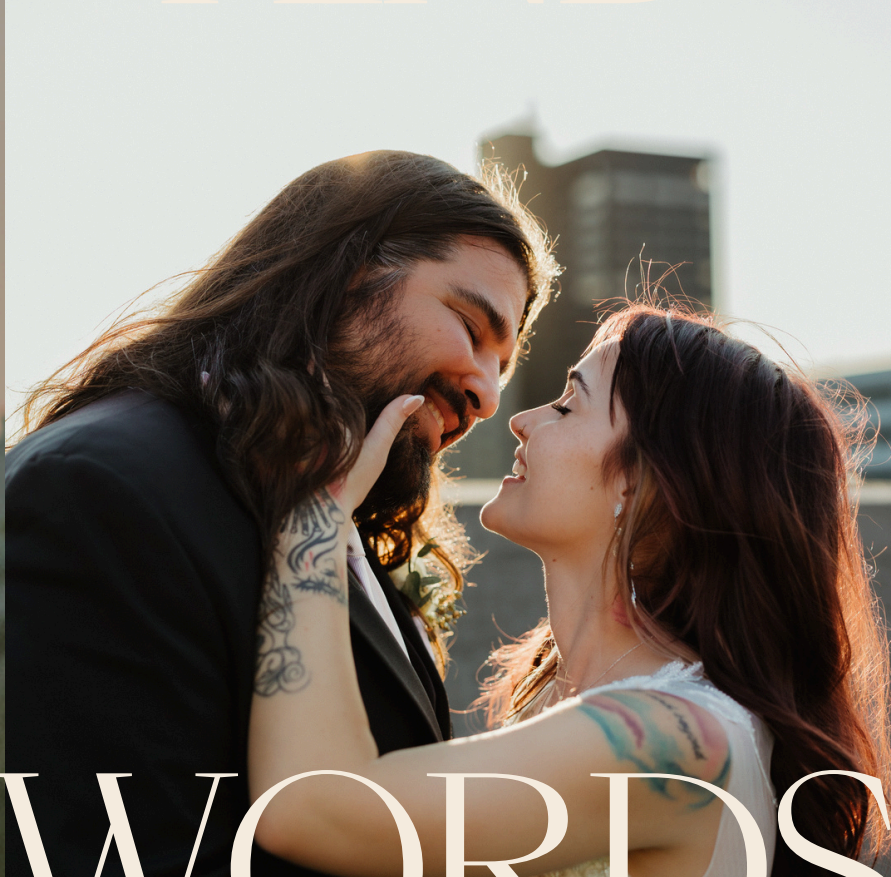

It is my main goal to help you feel comfortable in front of the camera. From my experience most people think they are not a camera person, and are actually wrong. I find I have never had a single person not be stunning in front of the camera. Especially since I aim to get you to feel authentic.

We will spend time doing a couple “ stiff “ poses, (smile and look at the camera) then I aim to do posing that helps get your guard down. That helps remind you that you are in the moment..

I have yet to have a unhappy client, and for this I am grateful. I give it my all, and I want you to know how important your photographs are to me.

KIND

WORDS

Linnie is truly the most talented and personable photographer I have ever met! I have been working with Linnie for a couple of years now for everything from branding shoots to my wedding day and she has never disappointed. Linnie is the best hype woman - she makes you feel so comfortable and confident! Even my husband who is quite reserved felt comfortable when shooting with her. Her skills are genuinely unmatched and her ability to listen to what you want and then translate that into her work is incredible! I could not recommend L. Briley Photography more!

PAIGE AND JOSH

ENGAGEMENT SESSION

THAT DAY, THAT PLACE,
THAT EVERYTHING

Your engagement sessions is the perfect time to get more comfortable in front of the camera. Especially so you feel more prepared for the big day, and you understand my style of shooting. Also a great way to connect.

For your session we will work together for what you would like out of it. If you prefer fall colors, or a rooftop, I will help find the perfect place for our shoot.

WEDDING DAY TIPS

SLEEP IS YOUR FRIEND

Try to get enough sleep! Definitely easier said than done. But being up late can cause for a more stressful, lack of sleep day.

FOOD AND WATER ARE IMPORTANT

Make sure to have a good size breakfast, and lots to drink water wise. When I say my sister fainted on her wedding day- I mean it! Its something I take serious.

REMEMBER, TO ENJOY YOURSELF

Have fun!!! Don't let yourself get caught in the stress of the day. Enjoy yourself and your love!

STAY TOGETHER, IF POSSIBLE

i recommend 100% to try to not split up from your partner on your wedding day. (post ceremony) It is about your love, and the more you can enjoy your big day together- the better!

FIRST LOOK

Not all couples choose to do a first look, but it definitely is a fun way to kick off wedding activities. Don't worry if you aren't choosing one because it naturally happens once you see each other at the ceremony.

Usually it is best we pre-plan a location, but sometimes it is hard with sight unseen. Make sure to tell me prior to your wedding day that you want to do this, so I keep it mind upon arrival and ensure we have a good spot.

WEDDING DAY DETAILS

The details my friends, are just as important as the big pictures. I want you to remember every part of the day, every detail. Its the color of your bouquet, the sparkle of your ring, the flat lay shots that I get to spend time with my artistry.

We take the time throughout your day to make sure we capture anything to help you best remember your day. So when you relive this memory through your photographs you remember how amazing the day was.

YOUR LOVE

CAPTURED.

FREQUENTLY ASKED QUESTIONS

WHAT IS YOUR MOST COMMONLY PURCHASED PACKAGE?

Corazon is my most purchased package.

WHAT GEAR DO YOU USE?

I shoot on a Canon R6, a R6 Mark 2, 50mm and 35 mm. Two flashes. Two panel lights. A Fujifilm Intax camera.

WHO ARE YOUR OTHER PHOTOGRAPHERS?

I work with other seasoned photographers in the area. I personally vet anyone I am working with.

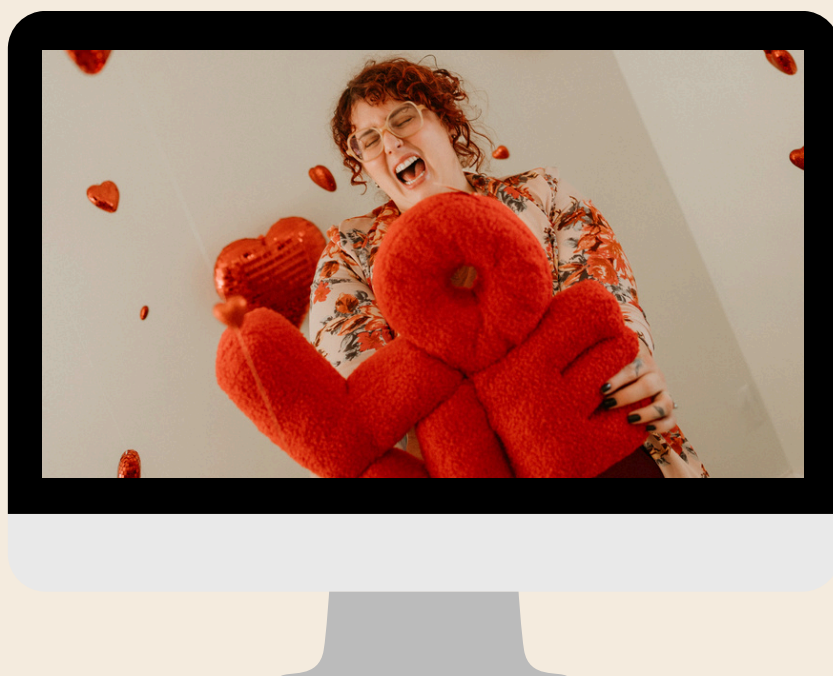

HOW DO WE LOCK IN WORKING WITH YOU?

One of the biggest questions people ask is: how do we secure our date with you? When you feel ready to have me as your photographer/wedding day bestie, the steps are: selecting a package that works best for you, me sending over a contract/invoice for your review, and you securing your date with a 30% down retainer.

DO YOU HELP WITH POSING?

Yes! Of course! I know sometimes being in front of the camera can be intimidating. But I aim to capture the most authentic version of your love. My goal is even when posing I am helping to create real moments.
