WELCOME

When all is said and done, it isn't the pretty posed portraits, the cake, centerpieces or how much you spent on florals. What you will remember is your mom dancing like she's 22 again, your grandma's smile and warm hug, your normally tough guy dad getting all mushy as you dance, your bestfriend's hyping you up in THAT dress, and your fiance shedding a tear even though they said "they would never".

Those memories are what matter in 5 years as you reminisce and 100 years from now when your great, great, grandchildren are looking at your wedding photos and wondering what you were like and that they have your smile. Moments captured in photos are a way of holding onto the past, and memories of things that change so quickly. People grow, friends drift away, loved ones pass, but photos are a way of holding onto those memories for generations to come.

MEET JESSICA

Wedding and Elopement Photographer in North Georgia. I love everything about podcasts or a good book, rainy days, oversized sweaters and a warm mug of coffee while getting Dachshund snuggles. I've seen "P.S. I Love You" SO many times and Fortnite games with the best seven-year-old on the planet. My husband and I eloped and had a formal wedding so I've lived it and loved them both!

With over 100 weddings/elopements under my belt, I love celebrating and showcasing love stories. My albums are a beautiful mix of candid and posed photography which will bring back the emotion of the day. If you like what you hear, reach out and let's get to know each other!

YOU HAVE QUESTIONS

Q: Will we get the print release to our photos after our wedding?

A: Yes! As specified in the contract, you will have a print release of your photos for personal use.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections have an option for an Assistant Photographer that will work in tandem with the Main Photographer for the specified package hours. A third photographer may be added at a rate of \$50 Per Hour.

Q: Will my photos be posted publicly on your site or social media?

A: I do use photos in both areas however, I respect your privacy and have a consent clause in my contract. If you would prefer for those photos to not be shared, that's okay! Just please communicate that with me prior.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: How long is the turnaround time for final albums?

A: I guarantee sneak peeks up to (48) hours after your wedding. I also deliver a fully completed album one month after your wedding date.

Q: Are you insured?

A: I am! Just let me know if your venue requires a certificate of liability, and I'll send that over to them.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: You do have the option to order prints directly from your gallery but it is not required.

Q: What equipment do you use?

A: I use Canon equipment. I always carry the Canon R6 as my main body which has a dual card slot and the Canon R and Canon 6D Mark ii as backup. I also have various lenses and flash.

Q: Do you photograph destination weddings?

A: Yes! If given the opportunity, I always love travel!

Q: Are the people featured on your site models?

A: Nope! While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 25% deposit & signed contract is required in order to get your wedding on the calendar. I will then break down the remaining payments based on the amount of time before the wedding or by your needs. Full payment is due (7) days prior to the wedding. I do offer a 10% discount for all bookings paid in full at the time of signing.

Q: How many photos will be in the final album?

A: You can expect about 50 to 100 images per hour of photographing. But keep in mind this estimate varies depending on your wedding package, number of guests, venue type, and other factors.

THE BEST PHOTOGRAPHER

Jessica was amazing to work with!! She worked with us to schedule our engagement pics and checked weather, gave advice on outfits, and made sure we had the best time. She was so understanding of our wishes with wedding pics and made sure that we received everything we asked for and then some. I highly recommend her to everyone!

Danielle & Anthony

WE COULDN'T HAVE ASKED FOR A MORE TALENTED & PROFESSIONAL PHOTOGRAPHER for our wedding than Jessica! From the moment we met her, we knew we were in great hands. She has an incredible eye for detail and a unique ability to capture not just moments but emotions.

Our wedding took place in the mountains, and her photos perfectly captured the stunning scenery in a way that felt so personal. The way she played with natural light and incorporated the landscape into our photos was nothing short of amazing.

What truly sets her apart is her ability to bring out the personalities of everyone in front of her lens. My husband and I felt completely at ease, and the photos reflect who we are as a couple so beautifully. From candid shots to posed portraits, every image tells a story that feels authentic to us.

Her warm and calming presence on our wedding day was exactly what we needed. She was organized, attentive, and blended seamlessly into the day, capturing everything.

We are absolutely in love with the photos and will cherish them forever. If you're looking for someone who can capture not just the visuals but the soul of your special day, Jessica is the perfect match for you!
