ABOUT ME

Hi, I'm Katie!

WWW.MAKEUPWITHKATIE.COM

Some people spend years searching for what they're meant to do.

My path just kept leading me back to the same place — making people feel like the most beautiful version of themselves.

It started young. I trained as a ballerina for fourteen years, and anyone who's ever stood backstage under stage lights knows that performance makeup is an art form in itself. That world taught me precision, attention to detail, and how to create beauty that holds up when every eye in the room is on you.

Katie and her team are truly the best!

Katie has an incredible talent for enhancing your natural features and creating a look that feels polished, effortless, and completely you. She did both my hair and makeup throughout my wedding weekend, and I could not have been happier with the results. Not only is she exceptionally talented, but she and her team are also the sweetest people to work with. They made the entire experience so enjoyable, and I cannot recommend them highly enough!

If you want to look and feel your best on your wedding day, then Katie is your girl!!!! Katie and her whole team of artists treated my bridesmaids and me with such kindness, respect, care and love on my special day. They each went above and beyond to make sure everyone felt comfortable and beautiful ❤️ They kept the good vibes flowing and really felt like a part of our friend group by the time they left the bridal suite 😊. Katie is kind, caring, and awesome communicator, genuine, and SO talented at what she does. She also used the most high quality products and never makes you feel rushed. She stays until its perfect and exactly what you want! She listens, cares and is super professional! I would recommend her to anyone who asks!! Best team ever!! 😊❤️

I cannot be happier about my experience with Katie and her entire team. After a terrible hair/makeup trial with my originally booked vendor she helped me out in a pinch! I was panicked and she instantly eased my stresses with the most perfect makeup I could have ever envisioned. I had her to do my hair/makeup for the rehearsal dinner as well and everything was absolute perfection. Her and her amazing team really care about their work and making their clients feel happy and comfortable and it definitely shows! I wish I lived in the area I would use her more frequently but would recommend her to all palm beach brides!

Such beautiful work! Katie is amazing, you won't be disappointed! Everyone in my party looked gorgeous and truly my hair and makeup was exactly what I had pictured. She was flexible with me in picking a trial date and made sure I loved my look. Katie is a PRO at making sure makeup and hair stays absolutely put in south Florida weather. I got married at the end of May in Palm Beach and my hair and makeup stayed perfect for an entire day with tons of sunshine , photos, and dancing all night.
