About me

Thank you so much for your interest in my makeup services, I'd be honoured to be a part of your special day.

I'm a Bristol-based bridal makeup artist with over nine years of experience creating glowing, radiant looks for brides.

I began my career at MAC Cosmetics, where my passion for makeup and making women feel beautiful began.

My signature style is all about luminous skin with a soft, polished finish - makeup that feels elevated but unmistakably you.
