Relaxed form with cinematic presence

The Datum Occasional Chair is a low, sculptural lounge chair inspired by 1940s Hollywood nostalgia and the relaxed elegance of coastal living. Its horizontally rounded wood base creates a grounded foundation, while the sculpted seat and softly cushioned back invite repose.

The silhouette is gentle yet confident—curved without being precious, relaxed without losing structure. Designed to feel cinematic and familiar, the chair evokes sun-washed interiors, slow afternoons, and the quiet luxury of comfort. It is a piece meant to be lived in, not merely admired.
