#1 SMALL BATCH PROCESSOR IN NEW YORK STATE
#1 CHOCOLATE MILK IN NEW YORK STATE
-NY STATE DEPT OF AG + MARKETS, 2022

100 years of dairy.

Our dairy farm has been in the family for over 100 years. In 2010 we decided to return to our roots and fulfill a lifelong dream of bringing our farm fresh milk to the surrounding community so they could enjoy the same fresh milk we grew up loving. In 2019 we expanded our operation to add our premium ice cream line to our product line.

The fifth generation King Family farms the same land as our great-grandfather. That said, it's more than just tradition and family heritage that makes us different. From the crops we raise to feed our animals, to the calves we raise to mature cows, we keep premium quality in mind.

Cheers!
