WELCOME *and* CONGRATULATIONS!

Welcome to my wedding guide, and congratulations on your engagement! I'm thrilled that you're considering me as a vendor for your big day! Enjoy this season, because it goes by quick. I created this guide to help walk you through my process and answer any questions you may have!

My approach to weddings is simple - I want to capture your unique love story as it unfolds naturally. I pay just as much attention to those candid, in-between moments as I do the big ones. My biggest goal is making sure you're comfortable and having fun throughout the entire photo experience, and living in the moment as much as you can.

I'll be as hands on or hands off as needed. If you're looking for a personal hype girl and someone to keep your crazy family in check, you found the right girl!

Let's dive right in,

Kailee

KAI PHOTO AND FILM

I'm so happy you're here!!! I'm a small-town Wisconsin girl turned professional Florida beach bum. I've lived in Florida for almost 10 years now, which sounds so insane to say. I moved here in 2016 to pursue a degree in Elementary Education, and after 3 years of teaching, I realized the universe had other plans for me. I quit my job to run my business full time and never looked back! I'm now settled down in Tarpon Springs with my fiancé, Blake, and our two crazy fur babies - Nana and Kaya. I couldn't have dreamed up a better life for myself. Being surrounded by the ocean, palm trees, and sunshine is all it takes to make my soul happy!

When I'm not working, I'm most likely participating in some kind of water activity, whether it's boating, jet skiing, going to the beach, or just swimming. I'm a sucker for watching sunsets - especially with my loved ones and some good music. I love traveling (I'LL GO ANYWHERE), all things Disney, a good cup of coffee, and anything true crime (might be surprising for someone so bright and bubbly).

I genuinely just love life and all its sweet moments, which is why I LOVE what I do. Thank you for being here and allowing me to share my passion with you.

I hope you stay a while,

Kailee

FREQUENTLY ASKED QUESTIONS

How far in advance should we book?

I recommend booking as soon as you have your date secured. Most couples book 8-12 months in advance, some even earlier for peak wedding season. Securing early ensures availability!

Do you offer payment plans?

Absolutely! I require a 40% retainer to secure your date, and the rest isn't due until 2 weeks before the wedding. The remaining balance can be paid in smaller increments or all at once.

Do you travel?

YES, PLEASE TAKE ME ANYWHERE!
Bucket list locations include: Hawaii, Greece, Italy, Ireland, Costa Rica, and Croatia

When will we get our photos?

My average turn around time is 10-12 weeks, but I include a sneak peek in 72 hours.

Can we customize a package?

Definitely! If you don't see a package that fits your needs, please let me know and we can put something together that fits your vision and budget.

How do we receive our images?

Images are delivered through an online gallery. I'll send the link when they're ready and you can upload and share however you'd like.

What if we're camera shy?

The biggest feedback I get from my couples is that I make them feel comfortable. I use a variety of prompts to guide you through your photos to ensure it's a fun experience start to finish!
