FROELICH LEGACY QUARTER HORSES

53rd Annual Production Sale

Greetings Horse Lovers!

Our 64th year of registering quarter horses and our 53rd annual sale seems to have snuck up on us. As time seems to slip by, we know that every day is a new adventure, and raising quarter horses is the delicious frosting on our cake. As many of our past customers know, raising cattle is our primary ranch job, but the quarter horse is an integral part of what we do each day, every day. This is why we have high expectations for each foal each year. We hold high standards as to how a horse thinks, moves, and looks. Why? Once you've braved a North Dakota winter of 90 inches of snow and 20 degrees below zero, you know weak minds and bodies are not allowed. The summers in North Dakota can be just as brutal, with fierce wind, storms, and heat. We expect our mares and stallions to weather the storms of life as they raise fabulous babies and make good decisions. They are fed well and treated with dignity.

In the four or five months these foals have been alive, they have experienced a variety of pastures and events, with their strong mommas leading them with confidence. They have swam across springtime creeks, napped in tall flowing grass, trailed through 8-foot corn fields, met cattle dogs and barn cats, frolicked in rocky terrain, drank from Froelich Dam, shared pastures with cow/calf pairs, moved to corral for pictures, enjoyed quiet evening scratches from us, and learned how to be calm and level headed in the face of newness. Before the sale, the foals are haltered and handled in order to complete the necessary vet work to go to new homes. All these experiences will allow the foal(s) you choose to work, train, and be a part of your family.

Our program is pretty simple: we sell horses that work hard, look good, and have big hearts. Or, like John J. Froelich, our late dad and grandpa used to say: "horses with disposition, color, and conformation ... ranch raised in a big country." As we celebrated John's induction into the North Dakota Quarter Horse Hall of Fame this year, we reflect on the integrity of how he treated people and animals with the goal of continuing his legacy.

This year we have had peaks and valleys. In January, JW faced a serious health scare, but just like everything else, he faced it head-on with a positive attitude and perseverance. A very significant peak of the year has been welcoming our newest cowboy, Colt William Froelich, to the family. JW and Alisha welcomed their 7lb 7oz bundle of joy on July 6. If Colt has his mom and dad's passion for horses, his name will be the perfect fit.

We want to let you know that we appreciate each and every one of you – our customers. It gives us tremendous pride to see our horses used for roping, cutting, mounted shooting, cattle working, 4-H competing, pleasure riding, and working as stallions or broodmares among other jobs. It is amazing to us the relationships we've cultivated based on a love for the quarter horse, and the years of reuniting during the sale make our lives so much fuller.

Guest consignors this year are Don & Carol Cool of Gillette, WY; Jamie & Codi Wymore of Maryville, MO; Dave & Deb Berger of Center, ND; and Live Wire Ranch of Sheyenne, ND. We also have several broke horses in the sale consigned by Keith Benz of Bismarck, ND, and Mike and Laura Huber of Center, ND. All of these families are offering wonderful foals and can be contacted directly for more information.

Our webpage has more photos of each foal, along with photos of the mares and stallions. Videos of the colts are also linked. If you have any questions, please do not hesitate to contact us. There are always cows to feed, fences to fix, and hay to put up, but we always have time to talk about horses.

Our Best Wishes To You All,

The Froelichs

FQHR MCLOVIN WEANLINGS

McLovin is a direct son of McKeag. He possesses the great disposition of his sire and brings a lighter blue roan color which works well with our darker colored mares. His dam, Skipper Nodak, was a beautiful, deep-girthed, grullo mare with a pedigree including Triple Chick, who was a leading sire of Race ROM money earners and himself a Superior Halter Horse. McLovin, himself, has sired a 6-time ARHA world champion in roping.

DENALI PINE WEANLINGS

"I have had the opportunity to start his riding career, and he shows consistent improvement with every ride. He is quick to learn new skills and bold in foreign situations. His physical ability combined with his mental intellect and quietness are not found at this level very often. If he passes these traits on to his offspring, his produce will be an asset for any horseman/woman. I would suggest you get one of his offspring now, because I am certain they will be sale toppers in no time!" Rylan Sunsbak Trainer. Sky was shown as a yearling by Michelle Rothhaar in the 2020 Ohio and IBH world show earning Grand Champion Halter Ohio, Reserve Champion Halter IBH 5 pts yearling hand in trail, and 27.5 Pts & ROM Dun Factor. Sky was shown at the Missouri River Classic in May 2022 earning 2 AQHA pts in Halter and 2.5 pts in Ranch riding.

John J. Froelich

This year marks 30 years since the passing of John J. Froelich. It seemed only fitting that this year he would be inducted into the North Dakota Quarter Horse Association Hall of Fame. On January 7, 2023, the entire Froelich family gathered together to honor our beloved father, grandfather, and great-grandfather as he was recognized for his great horsemanship and character. We want to thank the NDQHA for honoring this great man whom we loved so much.
