

Some common camper questions!

What's sleeping in a tent like?

It's so much fun! It's like having a sleepover every night. You should definitely get to camp early to claim your bunk, and remember to bring a flashlight!

Are there a lot of mosquitoes?

Before all of our campers arrive for the summer we get a special bug spray and spray around the tents so that the mosquitos stay away for a little while.

How can I keep in touch with my family?

The old fashioned way, letters! You and your family can exchange letters through the mail! Every morning we drop off and pick up the mail at the post office. Your family can also send you BunkNotes. BunkNotes are basically emails that your family sends that we print out and give to you! Mail is usually distributed during Rest Hour.

What Unit will I be In?

Double-check with your parents, and when you arrive at camp, but here are our units:

7 to 9-year-old boys - Unit color is **Blue**

7 to 9-year-old girls - Unit color is **Pink**

10 and 11-year-old boys - Unit color is **Red**

10 and 11-year-old girls - Unit color is **Yellow**

12 and 13-year-old boys - Unit color is **Green**

12 and 13-year-old girls - Unit color is **Purple**

Pioneer Village (PV) - 14 to 16 year old campers.

Camp is coming soon!
Are you ready?

Once your camper has completed the questionnaire please use the QR code provided to upload a picture of the inside of this card to their CampBrain account.

Hey Camper!

We want to be so ready that your counselor knows all about you before you even get here! Can you please answer the questions below and have your family submit it with the rest of your registration?

My name is

My friends call me

My favorite things to do are

I don't like

I am going to camp because

My favorite foods are

I think a great counselor is someone who

Things my counselors should know about me are

I'd like to be in a tent with

What I want to Do At

Camp
