Please mark the division you wish to compete in on the back-side of this form. If you qualify for multiple, please indicate priority by number. Nominations will be decided by TMHS point standing as of August 8th. We will nominate riders to their priority class when possible, but a lower priority division may be substituted at management discretion to allow the most horse/rider combinations to take part in Colonial Classic. In general, riders should have demonstrated their ability to meet the Colonial Classic specifications for each level; however, upper level riders using a lower division as warm-up or to start their season should indicate the upper level as their priority to allow competitors in the lower divisions to compete.
