WOMEN'S MINISTRY INTRODUCTION

For Bible studies, retreats, and more intimate women's ministry gatherings

Rhonda is a speaker, author, and Bible teacher who has spent many years encouraging women to know God more deeply, trust Him more fully, and recognize how deeply He knows and loves them.

Her heart for women comes through in the way she teaches - with warmth, honesty, and a desire to simply point women back to the truth of God's Word. Whether she's gathered around a table for Bible study or speaking to a room full of women, Rhonda wants every woman to leave encouraged in her faith and reminded that God sees her, loves her, and has purpose for her life.

Please feel free to read the introduction that best fits your event as written or adapt it as needed.
