

Festival Tent Capacity Chart

Sizes vary from 10' x 10' to 20' x 20'

10' Wide

Tent Size	Total Area	Standing (Cocktail)	Theater (Chairs Only)	Seated Dinner (Rounds)
10' x 10'	100 sq ft	16	12	8
10' x 15'	150 sq ft	25	18	12
10' x 20'	200 sq ft	33	25	16

20' Wide

Tent Size	Total Area	Standing (Cocktail)	Theater (Chairs Only)	Seated Dinner (Rounds)
20' x 20'	400 sq ft	66	50	33

Important Notes

- **These are estimates, not guarantees.** Actual guest counts depend on your layout — dance floors, staging, bars, buffet lines, and walkways all eat into usable space.
- **Standing/Cocktail (~6 sq ft/guest):** open floor, high-top tables, no fixed seating.
- **Theater (~8 sq ft/guest):** rows of chairs only, no tables — good for ceremonies or presentations.
- **Seated Dinner / Rounds (~12 sq ft/guest):** 60" round tables seating 8–10, with aisle space — the most space-intensive layout.
- **Add extra space for a DJ booth, bar, gift table, or dance floor** — these aren't included in the guest estimates above.
- **Festival tents are typically single-piece frames with no interior poles**, so the full footprint is usable.

General reference guide — actual dimensions vary by brand and model.

30' x 90'	2,700 sq ft	450	337	225
30' x 100'	3,000 sq ft	500	375	250

Important Notes

- **These are estimates, not guarantees.** Actual guest counts depend on your layout — dance floors, staging, bars, buffet lines, and walkways all eat into usable space.
- **Standing/Cocktail (~6 sq ft/guest):** open floor, high-top tables, no fixed seating.
- **Theater (~8 sq ft/guest):** rows of chairs only, no tables — good for ceremonies or presentations.
- **Seated Dinner / Rounds (~12 sq ft/guest):** 60" round tables seating 8–10, with aisle space — the most space-intensive layout.
- **Frame tents have no center poles**, so the full footprint is usable — unlike pole tents, which lose floor space to interior supports.
- **Add extra space for a DJ booth, bar, gift table, or dance floor** — these aren't included in the guest estimates above.

General reference guide — actual dimensions vary by brand and model.

Jumbo Trac Tent Capacity Chart

40' wide (40'–100') and 50' wide (45'–120'), with estimated guest capacity by setup style

50' x 105'	5,250 sq ft	875	656	437
50' x 120'	6,000 sq ft	1000	750	500

Important Notes

- **These are estimates, not guarantees.** Actual guest counts depend on your layout — dance floors, staging, bars, buffet lines, and walkways all eat into usable space.
- **Standing/Cocktail (~6 sq ft/guest):** open floor, high-top tables, no fixed seating.
- **Theater (~8 sq ft/guest):** rows of chairs only, no tables — good for ceremonies or presentations.
- **Seated Dinner / Rounds (~12 sq ft/guest):** 60" round tables seating 8–10, with aisle space — the most space-intensive layout.
- **Add extra space for a DJ booth, bar, gift table, or dance floor** — these aren't included in the guest estimates above.
- **Jumbo Trac tents use a heavy-duty track-and-frame system for clear-span coverage** — no interior poles, so the full floor space is usable for seating and layout.

General reference guide — actual dimensions vary by brand and model.

Sail Cloth Tent Capacity Chart

Single-pole tents — 32' and 51' wide, in round and elongated configurations, with estimated guest capacity by setup style

Tent Size	Total Area	Standing (Cocktail)	Theater (Chairs Only)	Seated Dinner (Rounds)
32' Round	804 sq ft	120	90	60
32' x 50'	1,600 sq ft	240	180	120
32' x 70'	2,240 sq ft	336	252	168
51' Round	2,043 sq ft	306	229	153
51' x 71'	3,621 sq ft	543	407	271
51' x 91'	4,641 sq ft	696	522	348

Important Notes

- **These are estimates, not guarantees.** Actual guest counts depend on your layout — dance floors, staging, bars, buffet lines, and walkways all eat into usable space.
- **Standing/Cocktail** (~6 sq ft/guest): open floor, high-top tables, no fixed seating.
- **Theater** (~8 sq ft/guest): rows of chairs only, no tables — good for ceremonies or presentations.
- **Seated Dinner / Rounds** (~12 sq ft/guest): 60" round tables seating 8–10, with aisle space — the most space-intensive layout.
- **Single-pole tents** use center pole(s) for support — capacity estimates above already deduct roughly 10% of floor space for pole clearance and guy-line setback, unlike frame or Jumbo Trac tents.
- **Add extra space** for a DJ booth, bar, gift table, or dance floor — these aren't included in the guest estimates above.

General reference guide — actual dimensions vary by brand and model.
