Locals who repair things

https://reenvisionrepair.com/ celebrates the art of preservation by highlighting the work of local repair shops within our community.

Things you no longer want but feel could have life elsewhere

Strangeexchange www.strangeexchangesf.org The mission of Strange Exchange is to extend the useful life of small household items through hyper-local, community reshuffle hubs. You don't have to donate something to take something and everything is free. Some of the donated items are offered back to the community and others go directly to one of 8 non-profit partners. They are often at the Divisadero Farmer's Market at the DMV.
