## FROELICH LEGACY QUARTER HORSES

### 52nd Annual Production Sale

#### Greetings

Our family is so fortunate. Yes, this year we have an abundance of grass for our horses and cattle, no major health problems, and an outstanding foal crop.

Each of us in our families can add our personal reasons to be thankful but today we are so grateful for the passion our dad (grandfather) had and for the support of our mom.

When dad was a young man much of the farm work was still accomplished with the muscle of the horse. Those days did not offer an easy life when compared to today's mechanized agriculture. During dad's early years teams of horses were used to till the soil, plant seed, harvest the crops, mow, and rake the grass, stack hay, and pull wagons or snow sleds for winter feedings. Horses did just about everything that human strength could not. Those holding the reins of the teams sweat just as much as the horses pulling the plow. Many men of those days grew to dislike horses, but for some reason, dad did not. Even though he was among the first to replace draft-type horses with the combustible engine, horses were still required to gather and move cattle. By the mid-40s, he recognized the existence of a different type of horse that made the task of chasing cattle more enjoyable. This is about the time he exposed a U.S. army remount stallion to the remaining draft-type mares. By the late 40s and early '50s, the Quarter Horse came into his life with the purchase of a palomino stallion and three mares registered with AQHA or NQHBA. Progeny of these matings quickly became the first riding horses for his family and the beginning of a breeding program that today has registered Quarter Horses with AQHA for 63 consecutive years.

Dad's passion and horsemanship served as a good example to all five of his sons who are still actively involved in raising and riding horses for work and pleasure. This enthusiasm has invaded the lives of many of the 3<sup>rd</sup> generation and attracted the eyes of the 4<sup>th</sup>. Horses have given our family countless hours of enjoyment and maybe kept some of us out of jail (haha). For this, we are ever so thankful to dad and mom (grandfather and grandmother) for putting us in a saddle. It is always a great life to be near a good horse.

As you wander through this catalog, please feel free to call any of us for more information. Also, any time prior to the sale, we invite you to the ranch to view the colts and mares in their range environment. Please give JW an advanced call at 701-425-4314 so he can ensure he's nearby.

Photos of each colt will appear on our web page Froelich Legacy Quarter Horses. A Youtube video of each will be linked to the photo. The page also links to pictures of the mares and stallions.

Guest consignors this year include Don Cool of Gillette, WY; Jamie Wymore of Maryville, MO; and Dave Berger of Center, ND. These folks offer foals with similar pedigrees and values. Also, note the well broke saddle horse consigned by Dennis and Vicki Brimer of Fort Rice, ND. We encourage you to reach out to them for more information.

We encourage you to reach out to them for more information.

Our Best Wishes to You,

*The Froelichs*

## Sale Terms & Conditions

Any person attending this sale does so at his or her own risk. The terms of the sale are cash, and all settlements must be made at the close of the auction. The auctioneer has final sale call. All sales are final. All horses are the buyers' property as soon as sold. We would like all horses to be picked up within one week of sale date unless prior arrangements have been made. Buyer must make arrangements with the seller at a reasonable rate per day for care of the horses until they can be picked up.

## Bids

Anyone unable to attend the sale may give bids via DVAuction, phone or mail to the ranch auctioneer before the sale. All bids will be handled in strict confidence. Please make arrangements with the ranch prior to the day of the sale if you would like to bid by phone. This will help eliminate any confusion on sale day. The sale location has good cell phone service, mainly Verizon. Please note that if you are a new customer to our sale, we may ask for a bank reference if you wish to bid by phone.

## Registration & Transfer

All horses sell registered with the American Quarter Horse Association. Buyers will be mailed the horse's registration papers and transfer forms. It is up to the buyer to transfer his/her horse with the AQHA. Please note that the AQHA has a high volume of registrations during the fall, and foal papers can take into the winter months to receive.

## Announcements

Any announcements made from the block on sale day take precedence over printed material. Please remember the photographs of the colts were taken the 3rd weekend in July, so the maturity level will change and the color of the colts may change by sale day.

## Covid-19

Since COVID-19 variants seem to spread in different areas of the country at different times of the year, we will monitor CDC and state recommendations to keep everyone safe and healthy. We will post any updates on our Facebook page as sale day approaches.

## Accommodations

Mandan and Bismarck offer a wide range of hotels, including major brands, and restaurants located approximately 60 miles north of the ranch.

### • The Comfort Inn & Suites Mandan 701-204-6712

*Denali is a very unique horse who combines a loving disposition along with muscle, girth, structural correctness, and a darker blue roan color. A common theme of remarks we hear from customers relates to his foals being very responsive. Upon seeing Denali or his foals for the first-time people are 'wowed' by their muscle but we know him first for his superior attitude toward humans.*

McLovin is a direct son of McKeag. He possesses the great disposition of his sire and brings a lighter blue roan color which works well with our darker colored mares. His dam, Skipper Nodak, was a beautiful, deep-girthed, grullo mare with a pedigree including Triple Chick, who was a leading sire of Race ROM money earners and himself a Superior Halter Horse. McLovin, himself, has sired a 6-time ARHA world champion in roping.

During the 2021 sale, Keotae reached the lifetime milestone of producing foals with a total value of \$250,000. This included a foal selling for a ranch record of \$11,500. A grandson consigned by Jamie Wymore sold for \$10,000. Keotae is a true ranch horse sire with girth, muscle, bone, and foot. Customers report his foals as being very trainable and responsive.

Here is a full sister to last year's colt selling to Sandra Marsching (Vulture Quarter Horses) for a record \$11,500. Like her brother, she has the structural correctness and profile which makes her very easy on a person's eyes. Given her independence since birth and that of her dam, indicates that she will not be herd-bound as an adult. The size of Dahlia and Keotae will assure plenty of growth. KEOTAE WEANLINGS

Conagher was born and raised on the ranch and has really grown into a fine stallion. This true-blue roan stallion has an unconditional love for humans that will be passed down to his offspring. His willingness and giving attitude have been proven in his training. He has an irresistible head that you want to see on any horse and a solid foundation you will desire in your own herd.

FQHR CONAGHER WEANLINGS

"I have had the opportunity to start his riding career, and he shows consistent improvement with every ride. He is quick to learn new skills and bold in foreign situations. His physical ability combined with his mental intellect and quietness are not found at this level very often. If he passes these traits on to his offspring, his produce will be an asset for any horseman/woman. I would suggest you get one of his offspring now because I am certain they will be sale toppers in no time!" Rylan Sunsbak, trainer. Sky was shown as a yearling by Michelle Rothhaar in the 2020 Ohio and IBH world show earning Grand Champion Halter Ohio, Reserve Champion Halter IBH, 5 pts yearling hand in trail, and 27.5 Pts & ROM Dun Factor. Sky was shown Missouri River Classic in May 2022 earning 2 AQHA pts in Halter & 2.5 pts in Ranch Riding.
