☀️ Exciting News! New Show Season Plan & Cast Guidelines ☀️

We're heading into a brand new season of dance, and with it comes a fresh structure to support deeper training, stronger performances, and a more focused cast experience for our 2027 Spring Show!

New Commitment Deadlines – Plan Ahead!

To ensure every dancer is prepared and fully immersed in the choreography process, please note deadlines for joining the show cast, missing classes and how to catch up on choreography due to sports conflicts. Even if you're a fast learner, this is about more than just memorizing steps—it's about honoring the training process, the technique, and the artistic integrity of the work.

What This Means for You:

- If you're hoping to perform in a specific class's number this year, be sure to register in time.
- This structure ensures stronger performances, better technique, and a more unified cast.

Check the full list of commitment deadlines (found online, classes page, in the details section of each class) Let's make this season our strongest yet—with dancers who are dedicated, prepared, and ready to bring their best to the stage. 💪🏼🌟

Class refund and credit policy / holiday cancellations and more:

Missed Classes (Illness or Personal Reasons):

We do not offer refunds or credits for missed classes due to illness, school events, or personal conflicts. However, we do offer flexible make-up options during the same session:

✓ Use your missed class as a drop-in credit for any other class on our schedule in the same session (no roll-over credits.)

✗ Credit cannot be used for private lessons, performance fees, camps, workshops, or merchandise

✗ Credit cannot carry over into a new session

With so many classes to choose from—including wellness and self-care options—it's easy to find a fun and fulfilling make-up class!

Holiday Cancellations & Make-Up Plan

Our schedule already accounts for holiday closures—make-up days are built in around school breaks and other holidays. No extra action needed!

Inclement Weather Cancellations

If class is canceled due to weather, we'll schedule make-ups during school breaks, short weekday gaps, or occasional weekends.

DROP IN POLICY:

Any student wishing to “drop in” to a dance class, must have prepaid for the class and filled out the online liability waiver. Students/parents must give payment to teacher directly for the class (\$25 kids/\$27 teens/adults) **PRIOR to class.**

You can not take a class if you have not paid.

Please do not drop your child off without coming into the studio, having filled out the liability waiver, and made payment before class begins.

SCHOLARSHIP POLICY

Scholarship Information for fall 2026

We understand that every family has unique financial circumstances, and we are committed to ensuring that no student is turned away due to true inability to pay. However, our scholarship fund is ***specifically intended for students who would not otherwise have access to any extracurricular activities due to financial hardship.***

If your child has a strong desire to dance but your family is unable to afford **any** after-school programs (including sports, music lessons, private school tuition or other paid activities), please reach out.

Scholarships are given as follows:

1. Full Need-Based Scholarship

A student who cannot afford to participate in any extracurricular activities that require payment—including dance, music, sports, field trips, or other activities—is considered to be in a true financial-need situation.

- The student may receive one class at no cost.

2. Partial Financial Assistance

A student who is able to afford some extracurricular activities or classes at other venues, but cannot reasonably afford the full cost of an additional dance class, may qualify for partial assistance.

- The student may receive a percentage discount toward one class, based on their demonstrated financial need.

3. Additional Dance Class

A student who is able to afford one dance class but would like to participate in a second dance class may receive the second class at no cost.

- The student pays for their first class.
- The second class is gifted through the scholarship program.

Our goal is to use scholarship funds thoughtfully and fairly so that students who truly need financial assistance can have access to opportunities they might otherwise miss.

OUR POLICY: Our scholarship program is intended to provide access to families who would otherwise be unable to participate in an activity due to financial hardship. It is not intended to be used as a way to reduce costs for families who are able to afford other activities or programs across multiple venues.

We ask that families consider their financial circumstances honestly and thoughtfully when applying for or accepting scholarship assistance. Our goal is to ensure that these limited resources reach those who truly need them and would otherwise have to miss out entirely.

We greatly appreciate everyone's honesty, integrity, and consideration of other families who may be depending on this support. By using the scholarship program responsibly, we can help ensure that these opportunities remain available to those who need them most.

Thank you for respecting and honoring the purpose of this program.

Please note: At this time, all scholarship funds raised in last year's fundraiser were used for Fall 2025–Spring 2026 (including summer dance camps) and have been fully allocated.

Our next fundraiser will run from November 1st to 30th 2026, and we anticipate being able to support approximately 10 students for one class each during Winter/Spring 2027.

Thank you for your understanding and continued support.

HEALTH & WELLNESS PROTOCOLS

Health & wellness protocols in the studio:

If you or your dancer are experiencing any cold or flu symptoms (runny or stuffy nose, coughing, sneezing, sore throat, headache, fever, fatigue, stomach issues, etc.), please stay home and rest. This helps protect fellow dancers and allows teachers to stay healthy so classes can continue as scheduled.

Class credits: (also explained in previous page)

All students automatically receive a class credit for any missed class due to illness (no refunds).

Credits must be used within the same session.

Teens and adults may use credits in other eligible classes;

kids may use theirs in designated kids or technique classes (like FACT or bodyART).

If a student arrives visibly sick, the teacher may:

- Ask them to wear a mask and wash hands
- Sanitize surfaces and adjust class activities
- Change how I interact in class to reduce risk (air high fives instead of hugs or fist bumps)
- Mask myself to prevent getting sick, (which makes teaching difficult)

Our goal is to keep the studio a healthy, welcoming space and avoid class cancellations or schedule changes whenever possible.

Your support and mindfulness truly make a difference.

Still unsure? A great way to tell if you should come to the studio is this: do you feel ill in any way? Any cold chills, scratchy throat? Fatigue? Any symptoms whatsoever? If you're not 100% symptom free - Please Stay Home. 😊

CODE OF CONDUCT: STUDIO ETIQUETTE

Code of Conduct: Studio Etiquette & Expectations

As we continue to grow as a dance community, it's time to raise the bar—not just in skill, but in attitude, professionalism, and how we treat one another in the space. Please read carefully. These expectations apply to all dancers in class and on stage.

Be Flexible, Not Territorial

There are no “reserved spots” in the room. We encourage dancers to change places regularly—this helps everyone gain new perspectives and grow as adaptable performers. Being territorial does not reflect the spirit of our studio or the professional dance world.

Rotate and Share Leadership

Being in the front row isn't a privilege—it's a responsibility. Take turns. Share space. Support others in leading, observing, and growing. True leadership is shown through generosity and humility, not dominance.

Respect Choreography & Creative Direction

If you're placed in a specific spot for choreography or stage formations, trust that those decisions are thoughtful and intentional. Placement is based on many factors—not just ability, but also timing, energy, spacing, consistency, height, and overall balance of the piece.

It's not about you. It's about the success of the dance.

If you're asked to move, shift formations, or take a different position, respond with grace and professionalism. Complaining, eye-rolling, gossiping, or speaking negatively about decisions damages the environment for everyone—and is not acceptable in this studio.

What We Expect From Every Dancer:

- Be a team player.
- Celebrate others' growth and opportunities.
- Trust the choreographer's vision.
- Model positivity for younger dancers.
- Let your work ethic and attitude speak louder than your placement.

 **Reminder: In the professional world, being uncoachable, disrespectful, or disruptive would result in being removed from a piece**—or from the company entirely. We are teaching not just dance technique here, but the discipline and integrity that comes with being a great artist and teammate.

CODE OF CONDUCT: COMPETITION FREE ZONE

Code of Conduct: SHOW UP AND BE PRESENT!

Bring a positive attitude, be present, and give your best—whatever that looks like today. Every class is a chance to grow, move, and shine.

At KEA, we're a competition-free, judgment-free zone focused on fun, friendship, and fearless self-expression. Respect your teachers, support your fellow dancers, and make every minute count.

Show up, work hard, have fun—and let your love of dance lead the way!

Code of Conduct: COMPETITION & JUDGMENT-FREE ZONE

At KEA, we do not participate in dance competitions—inside or outside the studio. Our focus is on personal growth, joy, and connection. Every dancer is welcome here, no matter their level, goals, or background.

In a world full of unrealistic pressures and constant comparison, our studio is a safe space to celebrate progress, not perfection. We believe in support over rivalry, and self-improvement over external validation.

Let's build a dance community rooted in love, encouragement, and confidence—one class at a time.

You belong here. You are welcome. And we're so glad you're dancing with us.

CODE OF CONDUCT: BE CHEM FREE

Code of Conduct: “Let Your Body BE. Stay Chem-Free.”

At KEA Dance Center, we believe in honoring our bodies as instruments of strength, creativity, and expression. We are proud to uphold a chem-free and smoke-free environment—one that supports the health and well-being of every dancer who walks through our doors.

By choosing to become a KEA dancer, you’re not just learning movement—you’re joining a community committed to excellence, respect, and integrity. As part of this commitment, all dancers pledge to refrain from recreational drug and alcohol use.

Dance is a demanding and deeply physical art form. It requires focus, clarity, and full connection to your body and mind. Staying chem-free allows you to show up as your best, most authentic self—ready to grow, create, and inspire.

You may not always realize it, but someone out there is watching you with admiration. A younger dancer, a peer, a friend—looking to you as an example. Your choices have the power to shape not only your own future, but the dreams of those who follow your lead. That’s a powerful responsibility—and a beautiful opportunity.

So take the pledge with pride. Be strong. Be smart. Be the dancer others aspire to become.

Let your body BE. Stay chem-free.

DRESS CODE

14

Dress Code & Studio Values

At our studio, we are committed to creating a positive, respectful, and empowering environment for all dancers. As part of this commitment, we ask that dancers wear attire that supports healthy movement and reflects the values we uphold—self-respect, confidence, and professionalism.

We do not allow belly shirts or clothing that is overly revealing. This is not about shame—it's about promoting a studio culture that values dancers for their artistry, strength, and character, not for how much skin they show.

Our older dancers are role models for the younger ones, who are just beginning to understand their bodies, movement, and self-expression. We want to ensure they grow up in an environment where dance is celebrated as an art form, not influenced by unhealthy trends or pressure to dress or move in a way that doesn't serve their well-being.

We expect all of our dancers, especially teens, to lead by example—presenting themselves with pride and intention. This responsibility is one we take seriously, and we're proud to foster a space where all dancers can thrive in body, mind, and spirit.

To see all dress code for each class style, please view the classes page on the website and click on the class you're attending and the guidelines will be there!

✓ POPULAR Q & A

Q: I don't know what class I want to take, can I talk to the teacher about it?

A: YES! Both myself and some of our seasoned dancers will be at the studio on the open house to answer questions about classes. It is a busy day, so generally this day is reserved to register people. If you want more than 5 minutes of discussion, I recommend viewing the previous page to see my "dancer consult and season planning booking options".

Q: Can I wait until the first week of classes to sign up?

A: Sorry, but we require all dancers to be signed up ahead of time so we can plan on attendance in class.

Q: How do I know what level of class to sign up for?

A: I am happy to help place you, and generally, if you have no experience or 1 year of experience, you will be in our beginner or advanced beginner classes. If you have been dancing with me for a while, you will most likely be ready for our more intermediate classes, though you need to consult me first before signing up.

Q: Do you have extra forms at the studio? I don't have access to a printer

A: YES! On registration day you can come in and fill out the forms we provide and complete your entire registration process there.

Q: What do I wear to dance class?

A: Each class has a general dress code we ask dancers to abide by found online under each class description. For an example: for hip hop, dancers should wear BAGGY shirts and sweat pants NOT leggings, and they need indoor sneakers. Always have a hair tie and water too;

Q: How I pay? A: You can pay by CC online, you can pay with check or cash in person.

Q: Do I get a refund if I don't like the class I signed up for or have another activity conflict?

A: We do not offer refunds, but dancers can receive a credit for the dollar amount paid and it is valid for the full calendar year. This is explained in detail on our policies page of this packet (the red form)

Q: I'm playing fall sports or am in the high school musical, can I join mid-session?

A: YES! Absolutely. However you will most likely need to take a few private lessons to catch up on material taught prior to your date of joining.

Q: What date to I need to join by in order to participate in the Spring show.

A: All dancers should be registered for the full year if they want to participate in our spring showcase. It takes 9 months to truly prepare for our performances. If you need to join late, I recommend joining no later than Thanksgiving. After new years break, we will be returning to classes and revisiting material taught in the fall. If you join in January at the very latest, you are required to sign up for 5 private lessons to try to catch up and expected to put in your own time to learn from other dancers as well. Dancers can not participate in the Spring show if they sign up past January.

Q: Can I still take classes if I don't want to be in the spring show.

A: YES! Once we hit our January show season kick off, all classes will be primarily focused on the show performance. So you can dance from the fall until the end of January and then join us again after the show for summer camps.
