

our comprehensive PRICING GUIDE

these prices are for base stationery pieces and do not include labor and material additions such as upgraded paper types, custom shaping, flat foil & letterpress, envelope liners, vellum, colored envelopes, etc.

we charge \$50 per hour for stationery labor, including our guest addressing & assembly services.

our signage offerings, such as seating charts, bar signs, and welcome signs, are listed by price in our guide. these are not approximate, as cost can slightly vary from project to project. any custom signage will be discussed during the consultation and proposal process. if you can dream it, we can design it for you!

investment ranges vary greatly based on the quantity of stationery pieces, sizing, upgrades, and more. the chart below reflects the average amount spent on a project with 100 invitations. for a more accurate calculation for your wedding, please reference the in-depth guide on the next page. this is the chart we reference when calculating quotes for our clients.
