MUKWONAGO AREA CHAMBER OF COMMERCE
2026

CAN YOU FIND THE

PLACE OF THE BEAR

The Mukwonago Chamber of Commerce is partnering with the Norris School District to invite local businesses to join a FREE, family-friendly adventure during Mukwonago Magic on Saturday, December 5th! Each participating business will receive a stuffed bear, promotional materials, entry slips, and a drawing box. Decorate your bear in a unique way and display it inside your location for families to find—like Elf on the Shelf! When participants find the bear, they'll receive an entry slip to WIN it. At the end of the night, businesses will draw a winner and arrange pickup. This is a fun way to showcase your business, connect with families, and spread holiday cheer!
