

Greetings Fellow Cattle Producers,

We are so excited to be getting ready for our second annual All the Single Ladies Heifer sale, which will take place on Wednesday, November 11th.

We feel that our first sale was a great success, with 200 people in attendance, 150 watching online, and 50 plus heifers headed to great new homes. It has brought us great joy to see these heifers at shows and on ranches during breeding projects throughout the year.

This sale is all about offering solid breeding stock of various breeds to the cattle producers of the Pacific Northwest. We will be shifting our offering slightly this year and will be offering halter broke weanlings and also bred yearlings that are halter broke or as a loose single pens.

For the 2026 sale we are accepting nominations for the following:

- Halter-broke weanlings
- Halter-broke bred yearlings
- Single pen (non halterbroke) bred yearlings

This year we are accepting any nomination, however the sale will be capped and nominations will have to be approved by the committee for final entry. We are accepting nominations from any producer (don't let the name fool you, ladies **and** gentlemen may submit nominations), but previous consignors will have priority. Additionally, AI sired and registered animals will have priority, as well as heifers bred by AI.

The nomination process has moved online this year and the form can be found linked below, as well as on our website (allthesingleladiesheifersale.com). If your heifer is accepted into the sale the entry fee will be \$150 with an additional consignment fee of 10% of the final sale. There is a no-sale/scratch fee of \$100 unless approved by the committee.
