The 5 Steps to Empowering Delegation

Are your leaders trapped in a cycle of doing everything themselves? Do they struggle to let go, resulting in micromanagement or task-dumping without clear direction?

This keynote gives the blueprint to empower your teams. It gives a practical five-step approach to delegate, not dump or dictate, allowing senior leaders to reprioritize their efforts on the highest value, strategic work for the organization.

Reagan's Talk Discusses:

- A step-by-step guide called, "The Five Steps of Empowerment" that provides clear direction, timelines, and desired outcomes for each task
- Techniques to balance oversight with autonomy ensuring your team grows while you free up your time for high-impact work
- Insights into overcoming common delegation pitfalls, including leader guilt and micromanagement tendencies

Available In:

- 60-90 Minute Keynote
- Half Day Workshop

Note: *This talk is customizable to fit the needs of your organization.*

Executive Workshop

This workshop teaches leadership teams to scale their impact with less stress and time.

Do your leaders struggle to spend the time needed on strategy vs. daily execution? Can they fully empower their teams to free up their capacity for the highest-value work for their level? How is the team intentionally investing in the next generation of leaders?

A Strategic Leadership Experience

Reagan Cannon is a globally recognized executive coach and leadership strategist who partners with senior leaders to activate meaningful and practical transformation in real time.

Her Executive Workshops are immersive, high-impact sessions designed for leadership teams that are ready to execute in a more strategic, relationally intelligent, and empowering way.

What sets Reagan apart is the real-world examples and holistic coaching approach she brings to every engagement. Each workshop is thoughtfully designed as part of a transformational journey. From the initial assessments to 1:1 executive coaching, group facilitation, and ongoing leadership development, Reagan partners with organizations to drive real, sustainable leadership growth.

Designed for Senior Leaders

These workshops are not surface-level skills training. They are designed specifically for high-capacity, time-constrained executives who need clarity fast, language that sticks, and tools that work. Drawing on over 20 years of experience with leaders from Fortune 15 companies, Reagan Cannon delivers a dynamic, deeply relevant experience shaped around each organization's unique context and needs.

WHAT'S INCLUDED:

Tailored Leadership Assessments

- Reagan begins with insight. Whether through 360-degree feedback or diagnostic tools, she uncovers individual and team dynamics that inform a customized strategy

½ Day or Full Day Executive Workshops

- These sessions blend Reagan's practical frameworks with experiential learning and collaborative problem-solving. Each workshop is structured around key themes such as leadership transformation, strategic communication, cultural architecture, or effective delegation

1:1 Executive Coaching & Group Coaching

- Reagan provides personalized coaching touchpoints before and after workshops to embed learning, ensure accountability, and drive behavior change across the team

Modular & Scalable Format

- These workshops can be seamlessly integrated into executive offsites or delivered as stand-alone experiences. Reagan adapts the format to meet organizational goals

Potential Interview Questions:

What inspired you to create the S.C.A.L.E.D. framework, and how is it different from traditional leadership development models?

What mindset shifts need to happen before a leader can delegate with confidence and clarity?

What are the most common mistakes you see executives make when they are trying to lead a team through change?

Why is communication the biggest blind spot for even seasoned executives, and how do you help them elevate it?

You talk about building alliances and deepening strategic relationships, particularly with peers. Why is that so critical for executives?

If you had just one hour to coach a high-potential executive, what part of the S.C.A.L.E.D. model would you focus on first—and why?

SOCIAL AND TRADITIONAL MEDIA

TESTIMONIALS

Megan Concannon
VP, Programming & Community Engagement
Colorado Technology Association

Reagan's workshop kept the 600 attendees in our audience engaged (and laughing) the entire time. I'd highly recommend inviting Reagan to speak at your event; months later our members are still talking about her presentation and how they use her advice in their daily lives.

Kathryn Tack
Former CEO of Good Times Concepts
Founder, C-Level Forum

When you meet Reagan, she is a powerhouse of energy with the ability to keep you focused on the goal. No one can do it better than Reagan. She is truly a star with unmatched quality and excellence. We consistently invite Reagan back to speak to our C-Level executives mainly because she can relate as a global executive and because we get tangible results from her techniques.

Michael Smith
Managing Partner
The Agency

Reagan was amazing. Her tactics and strategies on delegating were eye-opening. Because you can't just say, "I'm going to delegate." You actually have to put in place an effective process. Now I feel empowered and ready to make sure we are all running as one.

TESTIMONIALS

Susan DiMichele
CEO
National Church Residences

Reagan is authentic, funny, and her expertise is unmatched. She has scaled culture to thousands of leaders which is incredible, but when you match that with the fact that she is relatable and has humility, that's the secret sauce that is really hard to replicate. When Reagan speaks, she gets results.

Jane Bove
Principal PM Manager
Microsoft

I highly recommend Reagan Cannon, she was an outstanding virtual keynote speaker for the employees at Microsoft. Reagan ensured that the attendees were inspired and had clear, actionable takeaways from the event.

Nathan Watt
SVP Commercial Operations
Afiniti

Reagan consistently delivers a powerful blend of executive-level credibility, sharp insight, and authentic connection. She doesn't just inspire—she equips. Reagan has a unique ability to name the real challenges senior leaders face and then offer practical strategies to lead at scale.
