## THE QUINTESSENTIAL JEWEL BOX IN THE *HEART OF DOWNTOWN BOSTON*

10 Winthrop Square has redefined the modern office experience. Entirely reconstructed and renewed for the most discerning office user, the luxury building boasts six floors of boutique office space, two levels of retail space, a roof deck, and 66 linear feet of frontage. The building sits directly on Winthrop Center Park, across from Millennium Partners' Winthrop Center, conveniently positioned between Post Office Square and Downtown Crossing. New building features include:

- *Entirely New HVAC System*  
With individualized controls and upgraded MERV filtration system.
- *New 550 SF Roof Deck Addition*  
For common building use overlooking Winthrop Center Park.
- *Elegantly Reconstructed Lobby*  
With Statuario marble, a grand stair case with hand-crafted iron railings, plaster crown molding, and designer lighting & furniture by Adige Design.
- *Fully Restored Building Facade*  
With exterior lighting and all new energy efficient windows.

## IN THE HEART OF BOSTON'S *BUSINESS DISTRICT*

10 Winthrop Square naturally connects to all of Boston. Within a 10 minute walk are five subway lines servicing Boston and Logan Airport, and the MBTA commuter rails for communities north and south of the city. All the best Boston has to offer is right outside your door at 10 Winthrop Bar Square; shopping, dining, hotels and entertainment.
