OUR PHILOSOPHY

REAL MOMENTS.
BEAUTIFULLY CAPTURED.

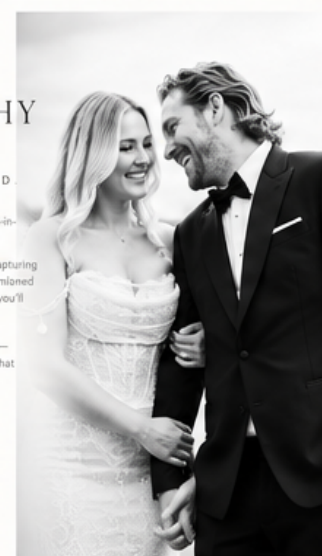

Your wedding is a collection of once-in-a-lifetime moments — big and small.

I take a relaxed, candid approach, capturing the real emotions as they unfold, combined with creative, artistic portraits that you'll love for a lifetime.

No stiff posing, no forced moments — just natural, genuine photography that tells your unique story.

GETTING READY

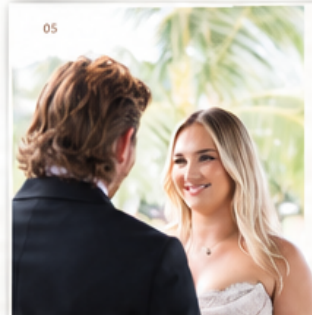

A RELAXED START
TO A BIG DAY

The morning is full of fun, anticipation and special moments with your closest people. I capture the real atmosphere — the laughter, the little details, the nerves and the excitement — as it all unfolds naturally.

The little moments that mean the most

05

THE CEREMONY

REAL EMOTIONS.
BEAUTIFULLY CAPTURED

The ceremony is the heart of your day — raw emotions, big smiles, happy tears and everything in between. I photograph it naturally and unobtrusively, so you can be fully present while I capture the real moments as they happen.

06

COUPLE PORTRAITS

NATURAL, CREATIVE
AND JUST YOU

This is your time to slow down, breathe and enjoy being together. We'll create beautiful, relaxed portraits in stunning locations, with natural movement and genuine connection — no awkward posing required.

A few quiet moments together, and some truly unforgettable photographs

07

LOCATIONS & LIGHT

STUNNING BACKDROPS
ALL AROUND YOU

From pristine beaches and island lookouts to lush gardens and golden sunsets, the Whitsundays offers incredible locations for wedding photography.

I'll help you choose the best spots and timing to make the most of the light and create images that feel natural and breathtaking.

08

FAMILY PHOTOS

RELAXED, QUICK
AND ENJOYABLE

We'll keep family photos simple, organised and relaxed, so you can spend more time with your guests and enjoy your day. I'll guide everyone and make sure we capture the important group photos, along with plenty of natural interactions in between.

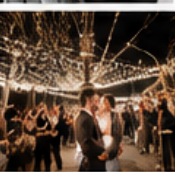

Natural moments with your favourite people

09

THE RECEPTION

THE PARTY, THE PEOPLE
AND EVERYTHING IN BETWEEN

From heartfelt speeches to the dance floor antics, I capture the energy, laughter and atmosphere of your reception as it unfolds. The night is full of incredible moments — and some of the most fun photographs of the day.

10

YOUR GALLERY

A BEAUTIFUL COLLECTION
OF YOUR STORY

Your final gallery is a curated collection of photographs that tell the complete story of your day — from the quiet moments to the big celebrations.

A mix of candid moments, creative portraits and all the in-between memories, edited in my natural, timeless style.

Photographs to relive how it felt, forever.
