

The background of the entire page is a photograph of a highly ornate, classical-style interior. It features a large, arched mirror with a gold-leaf frame and intricate carvings. The mirror reflects a chandelier and a hallway. Below the mirror is a white marble mantelpiece with two large white vases. In the center of the mantelpiece sits a small, ornate clock with a white face and gold casing, flanked by two small figures. The overall aesthetic is one of refined elegance and historical grandeur.

WELCOME TO ÈCLAT

BESPOKE, MULTI-DAY CELEBRATIONS ACROSS EUROPE'S MOST ICONIC DESTINATIONS

THOUGHTFULLY DESIGNED, IMPECCABLY ORCHESTRATED, AND EFFORTLESSLY EXPERIENCED

At ÈCLAT Destination Weddings, we design and orchestrate bespoke, multi-day wedding experiences across Europe's most iconic destinations — from Vienna and Lake Como to Tuscany and the Côte d'Azur.

At ÈCLAT Destination Weddings, we create celebrations defined by clarity, intention, and refined aesthetics. Each wedding is carefully curated to reflect your personal story while offering an experience that feels effortless from beginning to end.

This guide offers you an insight into our philosophy, our approach, and the journey we create together.

OUR PHILOSOPHY

WHERE INTENTION SHAPES EVERY DETAIL

A WEDDING IS NOT SIMPLY PLANNED - IT IS CAREFULLY COMPOSED

Every element, from the overarching vision to the smallest detail, is considered in relation to the whole. The result is an experience that feels seamless, balanced, and quietly exceptional.

We believe that this level of refinement is achieved through collaboration with a carefully curated circle of trusted partners across Europe — each selected for their expertise, reliability, and alignment with our standards.

Nothing is left to chance.

Nothing is simply “good enough.”

WHO WE WORK WITH

FOR COUPLES WHO VALUE TIME, CLARITY,
AND EXCELLENCE

**TO MAINTAIN THE LEVEL OF
CARE AND ATTENTION
REQUIRED, WE TAKE ON A
LIMITED NUMBER OF
WEDDINGS EACH YEAR**

Planning a destination wedding in Europe is complex.

Multiple locations, countless decisions, international logistics, and the expectation that every detail reflects a certain standard — not only for you, but for your guests.

Most couples we work with share one thing:
They simply do not have the time — nor the desire
— to manage this process themselves.

That is where we step in!

**OUR SERVICES ARE DESIGNED FOR
COUPLES WHO VALUE:**

- Timeless elegance over trends
- Value aesthetics and refined design
- Appreciate discretion and professionalism
- Expect clarity and efficiency
- Prefer to delegate rather than manage
- Want to enjoy the process — not be consumed by it

OUR ROLE

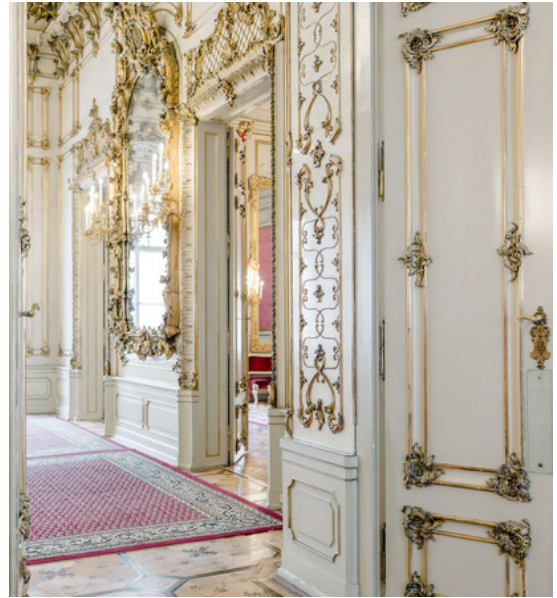

WE TAKE FULL OWNERSHIP OF THE PLANNING PROCESS - WITH STRUCTURE, PRECISION, AND DISCRETION

YOU DON'T HAVE TO:

- spend hours researching venues and suppliers
- navigate unfamiliar markets and languages
- coordinate countless moving parts
- or make decisions without clarity

INSTEAD, YOU ARE GUIDED THROUGH A PROCESS THAT FEELS:

- clear
- considered
- and entirely manageable

A THOUGHTFULLY STRUCTURED EXPERIENCE

From the very beginning, everything is designed to create ease.

You are not presented with endless options.
You are presented with the right options.

You are not involved in every detail.
You are involved where your decisions truly matter.

Every step is prepared in advance, allowing you to move forward with confidence — without feeling overwhelmed.

YOUR TIME, PROTECTED

OUR ROLE IS TO TAKE FULL RESPONSIBILITY FOR THE PLANNING AND ORCHESTRATION OF YOUR WEDDING

TIME IS ONE OF THE MOST VALUABLE RESOURCES OUR CLIENTS HAVE - AND ONE OF THE MOST CAREFULLY PROTECTED

We oversee all communication, coordination, and logistical management, ensuring that every aspect of the planning process is handled with precision and discretion. From liaising with partners to managing timelines and overseeing execution, every detail is quietly managed in the background.

This allows you to remain present in your daily life, without the demands of planning becoming a constant obligation. Your role is not to manage the process. Your role is to enjoy it.

We manage:

- communication with all partners
- timelines and logistics
- coordination and execution

So that your time remains your own.

CURATED, NOT OVERWHELMING

LUXURY IS NOT HAVING MORE. IT IS
HAVING WHAT IS RELEVANT, EXCEPTIONAL,
AND ALIGNED WITH YOU

We refine every choice before it reaches you:

- venues
- design direction
- partners
- guest experience

This ensures that every decision feels natural, clear,
and elevated.

AN EXPERIENCE THAT STAYS WITH YOU

*"This is more than planning a wedding.
It is the creation of a celebration that
reflects how you wish to gather, host, and be
remembered - designed with intention, and
brought to life with precision".*
