A NOTE FROM JENNA

Congratulations on your engagement!
I am truly honored to be considered for the opportunity
to document your wedding day.

Sometimes my schedule fills up quickly — but I ***still*** want couples to experience the Jenna Kay Photography wedding experience. That's why I offer a limited number of weddings photographed by my hand-selected associates, all trained in my signature style. Every wedding they photograph is professionally edited by *me*, so you'll still receive the same level of care, quality, and timeless style that Jenna Kay couples love!

During our consultation call, feel free to ask any questions you may have about this opportunity — I want you to feel confident and excited about this option.

Thank you again for considering me and my team
to be a part of your wedding. I look forward to helping you capture memories that last a lifetime!
