**PROUDLY
SUPPORTING**

ROYAL FLYING DOCTOR SERVICE

SUPPORTING MENTAL HEALTH IN THE FAR NORTH

Weipa Rodeo is proud to support the Royal Flying Doctor Service (Queensland section) as our major charity for 2026. Living in the Far North comes with its own unique challenges, and access to mental health support can be limited for people living in rural and remote communities. The RFDS Far North Mental Health team provides vital support across our region, helping individuals, families and communities access mental healthcare closer to home.

Each year, Weipa Rodeo proudly raises funds for an important cause. Last year, our community raised just under \$15,000 for Redkite, and this year we're proud to keep that support local by raising funds for mental health services right here in the Far North.

Funds were raised through our fundraiser night at the Albatross Bay Resort. Proceeds from our event raffle, and \$5 from every sublimated 2026 event shirt.

Every contribution will help support the important work of the RFDS and the services the Far North Mental Health team provide to people throughout our remote communities.

Weipa Rodeo is incredibly proud to support a cause that means so much to our region.

DEVELOPMENT PROGRAM

Sponsored By

RG Wigness, Rio Tinto and Trelleborg

The Weipa Rodeo Development Program financially aids young competitors who display dedication, commitment and talent.

These funds cover costs associated with development clinics, pre-rodeo cattle school, nomination fees, and travel expenses.
