**HALF THE CHURCH. HALF THE KINGDOM WORK. HALF THE WORLD. AND OFTEN
THE LEAST EQUIPPED.**

Think of the pastor's wife handed a job she was never trained for. The single woman in ministry with no mentor. The college student teaching a Bible study she was never taught to teach. The mom of three running her church's women's ministry with no rhythm and no support. These women are already leading. Our job is to make sure they're equipped.

WHERE WE'VE BEEN

For seven years, Go and Tell Gals has coached thousands of women as a for-profit business — training leaders through cohorts and certification, hosting retreats, and running conferences. We built a model that works, refined by real women in real ministry contexts. Now we're becoming a ministry.

WHERE WE'RE GOING

For too long, our work has been limited to women who could afford it. That changes now. As a 501(c)(3) nonprofit, Go and Tell Gals Ministries will lower the paywall, fund scholarships, and go to the women who most need equipping but have the fewest resources to pay for it. We're removing the gatekeeping — and going where the women are. Smaller churches. Under-resourced communities. Countries where women are already leading with no formal support.

WHAT MAKES US DIFFERENT

We don't just train women. We deploy them. Every Certified Leader we equip through our Leadership Certification program is trained AND sent — hosting cohorts, coaching women one-on-one, and leading retreats in local churches and overseas. Your gift doesn't just equip one woman. It equips one woman who then equips fifty.

EVERY GIFT IS FOUNDING

A \$25 monthly gift is founding. A \$25,000 gift is founding. What makes you a founding partner is the yes — not the amount. Every gift, at every level, is a blessing to this work and to the women we serve. Give at goandtellgals.com/give, or reach out to Katie at katie@goandtellgals.com to talk about a longer commitment.
