

Don't forget to stamp your Passport!

Riders participating in two or more disciplines – dressage, eventing, hunter/jumpers, gymkhanas, or hunter paces – are eligible for cash prizes at the end of the year! Each competition date earns two points and each year-end award you qualify for earns five points. Ties will be broken by points earned in the hunter pace category.

Passport books are available in the secretary's stand and need to be returned to the office by November 1st.

Join the supporters of the Horse Park and Leave a Legacy

This is our 35th anniversary and we're growing. We ask you to share our vision and join us in shaping our future together. As the number of equine facilities in the region is being reduced, Bucks County Horse Park is planning to expand our programs, acquire more property and add a much-needed covered facility. We'd like to talk with you about the Park, share ideas, learn what motivates you and find ways to best help you invest in our shared future. Your tax-deductible donation directly supports the day-to-day operation of the Park and helps preserve the facilities, grounds, and trails that make BCHP a special place for our community. Every donation, large or small, helps to bridge the gap between income and operating costs and fund special projects near and dear to us.
