

FISHER COMMUNITY FAIR

Commercial Building Exhibitor Contract

The 85th Annual Fisher Community Fair, will be held July 5-11, 2026. The Fisher Community Fair agrees to provide booth spaces measuring 10' x 10' per space, each equipped with one electrical outlet and for a fee of \$125.00.

The Fisher Community Fair board will be using the Commercial Building space for additional events during the fair. The Fisher Community Fair will not be responsible for the lost or stolen items.

The Fisher Community Fair will provide each vendor 2 season passes and 2 parking passes for the week. These will be distributed at the time of set-up.

Janitor service will be provided in the main aisles only of the Commercial building. Each exhibitor is responsible for keeping their booth clean and free of litter.

Only quality merchandise will be allowed. The Fisher Community Fair and the Commercial Building Superintendent reserves the right to monitor the sale and distribution of distasteful merchandise. We reserve the right to ask that such merchandise be removed from the display and to not invite said exhibitor to return for future events offered by the Fisher Community Fair board.

All contracts and fees must be submitted to the Commercial Building Superintendent no later than June 30th, 2026. All late contracts received after the deadline will be charged \$50.00 per space. No exhibitor will be allowed to rent more than two spaces unless approved by the Commercial Building Superintendent. Each exhibitor must furnish his own equipment, such as tables, chairs, etc. Spaces will be assigned on a first come, first serve basis as contracts and fees are received from exhibitors. Every effort will be made to accommodate those requesting special arrangements. The Commercial Building Superintendent will assign spaces and reserves the right to add spaces and to make final decisions.

Displays may be set up on Sunday, July 5th, from 12:00(noon) to 5pm and Monday, July 6th from 9am to 12(noon). Any other set up times **MUST** be approved by the Commercial Building Superintendent prior to July 6th.
