WELCOME + ABOUT ME

Thank you so much for your interest in my work! I'm truly excited about the possibility of meeting you and your partner and capturing such a meaningful chapter in your lives.

Inside this pricing guide, you'll find information about the wedding collections I offer, what you can expect throughout the experience, how the booking process works, and answers to some frequently asked questions.

Before officially booking, we'll schedule a phone or Zoom consultation. This gives us the opportunity to get to know one another, talk through your vision for the day, and make sure we're the perfect fit. Your wedding is one of the most meaningful days of your life, and it's incredibly important to me that you feel comfortable, understood, and confident in your photographer.

A little about me and my photography style...

I'm a wedding and couples photographer based in Tucson, Arizona. I was born in Texas but raised among the mountains, saguaros, and golden sunsets of the Sonoran Desert. The desert has always felt like home, and I love showcasing its natural beauty through my photography.

I would describe my style as warm, romantic, and dreamy, with a documentary-inspired approach. My goal is to capture your day as it naturally unfolds, from the big, emotional moments to the quiet, in-between ones you may not even realize are happening. Your final gallery will include a thoughtful blend of timeless portraits, genuine candids, gently prompted moments, and both color and black-and-white images.

If my work and approach feel like the right fit for you, please reach out so we can begin the booking process. I would love to hear more about you, your partner, and everything you're envisioning for your wedding day.

Thank you again for considering me to document such a special part of your story. I can't wait to connect with you!

Frequently Asked Q's

HOW LONG HAVE YOU BEEN A WEDDING PHOTOGRAPHER?

I started Hannah B Photography in 2020 and photographed my first wedding in 2021! Since then, I've had the joy of capturing so many love stories. It's been such a rewarding journey, and I'm so grateful for every couple who trusts me with their memories

CAN I ORDER PRINTS OR CREATE AN ALBUM FROM YOU?

Absolutely! Your online gallery includes a shop where you can order prints. After your gallery is delivered, I can also design a custom album featuring your favorite images for an additional fee. It's a beautiful way to tell the story of your day and enjoy your memories for years to come!

CAN I CHANGE OR ADD ITEMS TO MY PACKAGE AFTER BOOKING ?

Yes! You can change your package or add extras up until the day before your wedding. Additions that require another photographer or special arrangements are subject to availability.

DO YOU DELIVER THE IMAGES IN B&W?

Yes! I select approximately 200 favorites from your gallery to deliver in black and white alongside the color versions. If you'd love your entire gallery in both color and black and white, you can add that option for \$200

WHAT GEAR DO YOU SHOOT WITH ?

I photograph weddings with two Canon R6 cameras and a collection of lenses, including a 28–70mm, 70–200mm, and 85mm. I'm always upgrading and adding to my collection to capture your day beautifully!

DO YOU CHARGE FOR TRAVEL ?

Simple answer, yes I do if the wedding is outside Tucson limits. We will discuss whether there will be a travel fee for your wedding during your meeting !

WE'RE AWKWARD IN FRONT OF THE CAMERA. WILL YOU HELP US?

Of course! You don't need any experience in front of the camera. I'll guide you with natural prompts and gentle direction so you feel comfortable, have fun, and look like yourselves.
