

Under the Umbria Sun (& a Touch of Rome)

OCTOBER 18 – 26, 2026

Come immerse yourself in the timeless beauty of Italy's "Green Heart." This itinerary is a deliberate, deep dive into the rolling hills, medieval stone villages, and rich culinary traditions of Umbria, concluding with a magnificent finale in the eternal city of Rome.

We begin amid the olive groves and vineyards of [Borgobrufa Spa Resort](#) just outside the UNESCO Heritage Site of Assisi. Then it's a leisurely drive through pottery and cashmere country to the walled town of Norcia in the foothills of the Sibillini Mountains and the endlessly charming [Palazzo Seneca](#). From there, we're off to Orvieto, a medieval hilltown perched dramatically on a volcanic cliff. Our base here is the elegant [Palazzo Misciattelli](#), the ancestral home of the noble Misciattelli family.

We end our journey in Rome, the perfect urban punctuation mark, enjoying the hospitality of hosts [Hotel Splendide Royal Roma](#) and [Parco dei Principi Grand Hotel & Spa](#).
