

Hi, I'm Ashley.

I help small businesses show up well -

whether that means capturing meaningful photos, creating clean branding, building a simple website, or delivering polished real estate media.

My style is natural, intentional, and approachable. Nothing overly stuffy. Nothing unnecessarily complicated. Just high-quality creative work that feels like you and helps you move forward.

I can't wait to work with you!

ashley marie

Services

I offer a mix of creative services for businesses & entrepreneurs — everything from branding and websites to photography.

- ◆ **Graphic Design**
From flyers, brochures, stationery, and general graphic design.
- ◆ **Website Design**
We specialist in multiple website brand platforms for your design and build.
- ◆ **Copywriting**
We ask the right questions to understand the type of copywriting you require.
- ◆ **Marketing**
Marketing that gets you more clients and builds brand awareness.
- ◆ **Branding**
Clean, thoughtful branding that helps your business feel more cohesive and put together.
- ◆ **Content Photography**
Natural, lifestyle-style photos that give your business content you can actually use —on your website, social media, and beyond.

A dark, atmospheric photograph of a room. The walls are covered in a light-colored, intricate floral and damask patterned wallpaper. In the foreground, a dark wooden desk is visible, with a chair tucked under it. The lighting is low, creating a moody and somewhat mysterious atmosphere.

“

Sometimes, you just have
to take the leap of faith
and invest in yourself.

”

Your Next Steps

1.

Choose Your Package

If you're not sure which package fits, just reach out—I'm happy to help you figure it out.

2.

Schedule a Chat

Let's get on a quick call to discuss your needs and make sure we're a good fit, you've chosen the package that fits your needs, and answer any questions you have.

3.

Let's Get Started!

This is where the fun begins! We will sign an agreement to make sure we understand the scope of work, then begin gather info needed and get going!

FAQs

1.

Do you require a deposit?

Yes—most projects require a 50% deposit to secure your spot, with the remaining balance due before final delivery.

2.

Do you offer payment plans?

For larger projects, I'm happy to split payments into 2–3 parts. Just ask and we can figure out what works best.

3.

How long does everything take?

It depends on the project, but most branding and website projects are completed within a few days to a couple of weeks. I do prioritize quick, efficient turnarounds.

FAQs

4.

Do you offer rush options?

Yes—if you're on a tight timeline, I offer rush options when availability allows.

5.

What if I don't know exactly what I need yet?

That's totally fine. A lot of clients come in unsure—I can help guide you based on where you're at and what would make the biggest impact.

6.

How many revisions do I get?

Each package includes a set number of revisions, but additional edits can always be added if needed.

7.

Will my website work on mobile?

Yes—every site is designed to look clean and function well on both desktop and mobile.

FAQs

8.

Do you help with the content or wording?

Yes—I'll guide the layout and flow, and can help refine your content so everything feels clear and cohesive.

9.

What are branding/content photos used for?

These are meant for your website, social media, and marketing—so you have consistent, on-brand visuals to use everywhere.

10.

Do you help with planning the shoot?

Yes—I'll help guide location, outfits, and overall feel so your photos match your brand.

11.

What if I need something not listed?

Just reach out. I'm happy to create something custom depending on what you need.

Ready to take the leap?
