Creating Timeless Memories with Stunning, Soulful Imagery

Just you.
Unfiltered, unmasked.
Seen softly. Felt deeply.
Remembered always.
Wyld Moments is more than a name.

It's a space where time slows, the noise softens, and what's real gently rises to the surface. A space where you don't have to perform, pose, or be anything other than yourself.

I'm drawn to the beauty in the in-between,
the way a hand is held without thinking,
a glance that lingers a second longer than expected,
a laugh that escapes before you can catch it.
These are the quiet truths. The honest fragments. The pieces that tell the real story.

SUN MOON & ONE

Celebrate your little one's first year with a session designed to honour the light, love, and memories you've gathered along the way. This 30 minute sunset experience captures both the joy of the cake smash and the deep connection of your family wrapped in the golden glow of the day's last light.

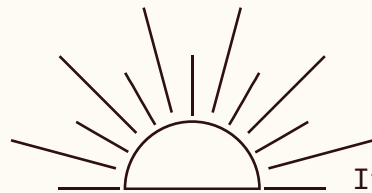

"Sun, Moon & One" is a heartfelt celebration of a full year of love

365 days of watching your little one grow, change, and become someone more magical than you ever imagined. It is a tribute to the journey you have taken as parents, from sleepless nights to sun-filled mornings, learning your baby's rhythms and discovering new pieces of yourselves along the way.

The sun represents the bright, loud, joyful moments first giggles, warm cuddles, wobbly steps, and the kind of happiness that fills a room without trying.

The moon represents the quiet moments the soft whispers in the dark, the slow breaths as your baby drifted to sleep, the nights you held them close and realised how deeply your heart could love.

This session brings those moments together, honoring the beautiful balance that shaped your baby's first year. As tiny hands explore the cake and laughter spills into the room, I capture not just your child's joy but the story of how you've guided them, loved them, and watched them bloom under both sun and moon.

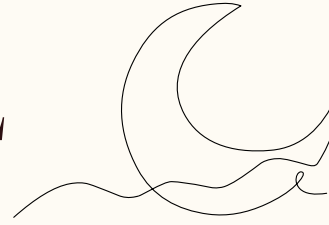

"Sun, Moon & One" is more than a photoshoot.

It's a time capsule of the year that changed everything.

A reminder that your baby is growing, glowing, and becoming their own kind of light because of you.

FRESH 48

YOU'VE WAITED MONTHS TO MEET THIS TINY SOUL. AND IN A BLINK, THEY'RE HERE – STILL WRINKLED FROM THE WOMB, BREATHING SOFTLY ON YOUR CHEST, EYES BARELY OPEN, FINGERS CURLED AROUND YOURS.

THIS IS THE MOMENT YOU BECOME SOMETHING NEW – A MOTHER, A FATHER, A FAMILY.

A FRESH 48 SESSION ISN'T POSED. IT ISN'T PLANNED. IT'S REAL. IT'S QUIET. IT'S THE TINY ANKLE TAG WITH THEIR NAME ON IT. THE HOSPITAL BLANKET THEY'LL NEVER USE AGAIN. THE SOFT CRIES. THE BLOOD STILL IN THEIR HAIR. THE WAY YOU LOOK AT THEM EXHAUSTED, IN AWE, UNDONE.

IT'S YOUR FIRST NAPPY CHANGE. THEIR FIRST YAWN. THE MOMENT YOUR OLDER CHILD TIPTOES INTO THE ROOM AND LAYS EYES ON THEIR BABY SIBLING FOR THE VERY FIRST TIME. IT'S THE START OF EVERYTHING.

AND THE TRUTH IS THESE HOURS GO. THE WORLD OUTSIDE IS ALREADY MOVING, BUT IN THAT ROOM, TIME STANDS STILL. AND THEN IT DOESN'T.

YOU MAY NOT REMEMBER EVERY DETAIL.
BUT I WILL.

FRESH 48
IS FOR THE PARENTS WHO WANT TO FEEL THIS AGAIN.
IT'S FOR THE ONES WHO WANT TO REMEMBER, BUT ARE TOO OVERWHELMED TO TAKE IT ALL IN.
IT'S FOR THE FAMILIES WHO MAY NOT WANT (OR BE ABLE TO AFFORD) A FULL NEWBORN SESSION, BUT STILL WANT SOMETHING REAL SOMETHING LASTING.

IT'S NOT PERFECT. IT'S NOT STYLED.
IT'S LIFE, EXACTLY AS IT IS AND IT IS BEAUTIFUL.
ONE DAY, YOUR BABY WILL ASK WHAT IT WAS LIKE THE DAY THEY WERE BORN.
AND YOU'LL HAVE PHOTOS THAT SPEAK LOUDER THAN WORDS.
