- **Committee Reports**
  - Rachel- Membership:
    - As a committee they took on the task of updating the intake directory by contacting someone in each county. Some counties had not been in touch with a board member in a few years and their information was outdated. They were able to update all 72 counties.
    - If you have new workers start, please send their information to the membership chair.
  - Stacy- Training:
    - In years past, the training committee had planned a bi-annual spring training but had put it off for a few years while getting ART and Carey Guide and BITS established. There are currently none scheduled for 2027, but they are working on getting dates set.
    - The committee is also working on a Spring training.
      - April 20, 2027, in Fond du Lac
      - Sometime early April in Northern WI
        - Derek Mosely about Implicit Bias
        - Nikki L. with WCWPDS
  - Ashley- Bylaws:
    - The by-laws were updated to reflect the current availabilities of technology. There was a special meeting held in April.

Notice was sent out to all members. At the meeting the changes were discussed, and a vote was made to pass the changes. Those updates can be found on our website.

- **Nominations/Election – Stacy Ledvina**
    - With the changes to the By-laws, this included the process of nominations to the board and eligibility. There will be no more nominations from the floor, and all nominations need to be received at least 3 weeks prior to the annual meeting with a letter of support.
    - There were a few individuals interested, but not enough to have an election.
    - Stacy introduced the 2026-2027 board members, and incoming president Rachel Johnson.
    - Reminder to board members and all members there is a meeting tomorrow at 4pm in Mahogony.
- **Other updates**
