# ★ ★ WELCOME ★ ★

## TO LEGENDS OF THE FALL 2026

Dear Friends & Guests,

**W**elcome to the 8th Annual Legends of the Fall Show Cattle Sale. We are once again excited to offer this sale just outside of Corvallis, Oregon. We are also thrilled to offer the set of cattle we have assembled this year and to once again partner with LiveAuctions.tv. Adding this online option will give customers and buyers another option for attending the sale.

Arcuri Ranches, from Springfield, Oregon, is one of the state's most progressive Purebred Angus operations. Ryan and family have assembled the most trusted genetics from the industry's leading programs. You can find cow families from Express, Silveiras, Gohrs, and more at the ranch. The Arcuris focus on producing foundationally sound heifers and bulls that read with some of the best EPD numbers in the breed. These cattle also possess the phenotype that makes them ultra-competitive in the show ring. Arcuri Ranches Cattle have won numerous jackpot shows, county and state fairs with their females, while their bull program has produced the Supreme Champion Bull at the Klamath Bull Sale twice.

Colson Cattle and Grace Cattle are both based outside of Corvallis, Oregon. Their operations are keenly focused on raising the highest quality show steers and heifers for 4-H, FFA, and jackpot exhibitors. We mostly use a purebred cow-base, crossed with some of the winningest show and club calf sires to ever stand in front of a backdrop. Understanding their genetics and how these outcrosses work is why Colson and Grace Cattle remain sound, functional, and proven.

The Colsons and Grace Cattle have produced very competitive cattle, many of which have been winners at local, state, and national shows. Both Colson & Grace Cattle offer a unique opportunity for youth to raise and sell show projects through their cooperator program. For more information on the cooperator program visit with TJ, Samantha, or Trish Wilfong.

Since 2019, Arcuri Ranches and Colson Cattle, with the help of their cooperators, have partnered together for the "Legends of the Fall Sale". All programs have tremendous synergy. And working together not only provides our customers with more options, but it also brings together more than five decades of raising superior cattle. When you purchase cattle from any operation you just don't buy an animal. You are investing into proven programs with next level service and support.

Whether you are a long-time returning customer or here for the first time, we are confident that you will be impressed and appreciate the 2026 offering of calves.

From our families to yours, we thank you for attending and for your interest in our programs!

Best Regards,  
The Arcuris, Colsons, & Wilfongs

This Year's Cooperators:  
Boyer Farms, Oakville WA

# ★ ★ INFORMATION ★ ★

## **PURCHASE WITHOUT ATTENDANCE:**

Buyers unable to attend the sale in-person can contact the sale day phones, ringmen, auctioneer or log on to LiveAuctions.tv to submit their bids. Sale Day Phones will also contact buyers upon request.

## **TERMS & CONDITIONS:**

Cattle sell under the suggested Terms and Conditions of the American Angus Association. [http://www.angus.org/pub/suggested\\_sale\\_terms.pdf](http://www.angus.org/pub/suggested_sale_terms.pdf)

Each seller may have their own supplemental Terms and Conditions document. Such a document will be available on the day of the sale.

All female cattle sold through the LOTF Steer & Heifer Sale will be sold with a Buyer and Seller agreement that the Seller will be allowed to retain two (2) successful flushes [defined as three (3) viable embryos per flush] at the Buyers convenience and Seller's expense.

## **ANNOUNCEMENTS:**

Updates around the cattle or sale may become available on the day of the sale. Those updates will be provided by a supplemental form in writing or verbally announced from the auction block. All supplemental updates expressed verbally or in writing the day of the sale supersedes the printed material contained in this sale catalog.

## **HERD HEALTH:**

All cattle will be accompanied by a vaccination health record and the proper health certificates as required.

## **PAYMENT, LOADING, AND YARDAGE:**

Payment for all cattle being sold is due at the conclusion of the sale and before cattle are released. Payment methods include cash, check, and credit card. If using a credit card, a 3% service fee will be calculated from the amount due and added to the final invoice. Sale cattle will not be released until the conclusion of the sale. Loading of cattle will require the Buyer to show proof of ownership with a copy of a paid invoice and signed Bill of Sale from the sale management. If you make a purchase and are unable to remove your cattle from the sale facility 24-hours after the conclusion of the sale, you will need to make arrangements with TJ or Samantha Colson. A yardage fee of \$20 per head per day may be added for cattle staying beyond the 24-hour grace period. Under no circumstances will the Sellers (Colson Cattle, Grace Cattle, Arcuri Ranches, or their cooperators) assume risk or liability for cattle left in yardage at the conclusion of the sale.

## **TRANSPORTATION:**

Cattle purchased from the sale that require transportation is the responsibility of the Buyer. The Seller can assist with facilitating transportation of the purchased cattle at the Buyers request. Any expense associated with the transportation will be handled between Buyer and Hauler. Under no circumstances will the Sellers (Colson Cattle, Grace Cattle, Arcuri Ranches, or their cooperators) assume risk or liability for cattle being transported.

## **CATTLE LEAVING OREGON:**

Oregon State Law requires livestock leaving the state to have a veterinary health check and papers for transportation over state lines. The seller will arrange and cover the expenses for the required health check and papers for any sales outside of Oregon.

## **REFRESHMENTS:**

Complimentary snacks, dinner, and beverages will be available. Thank you to the following folks for providing the meals and drinks: Neuschwander family, Kizer family, Craig & Konnie Berger

# HEIFERS

## **LOT # 1 - TS WHO DAT GIRL 328P (ACA #433817 [CHI-COMPOSITE])** —

**SIRE:** Hunter Biden's Laptop (ACA #496779)

**DAM:** JSUL Who Dat Cat 4472M x Bold Venture (ACA #C240635)

**DOB:** 3/28/26

Wow! This young, soft haired sweetie is absolutely electric in her look and build. From her high tying neck to her perfect topline and sweeping belly, she paints an undeniable picture from the side. All this and she still has enough thump in regard to body and power, with just the right running gear for the long haul. What's more, her young Sullivan dam is a direct daughter of the famous JSUL Who Dat Cat 7184E. Genetics that don't miss. After a successful show career, build a herd around this one by sending her to the donor pen! And she's super sweet to boot.

## **LOT # 2 - TS CHARLENE 06P (AICA #RF718804 [CHAR-COMPOSITE])**

**SIRE:** Six-Mile Private Stock 32H (RAAA #4420165)

**DAM:** GRSC Tina 98L x DTR MR Brightside (AICA #EF1342849)

**DOB:** 2/22/26

🎵 I really love your peaches, wanna shake your tree... 🎵 Of course this portion of the famous Steve Miller Band song plays in my head when we study this peach-colored beauty. Her correct proportions, sound build, extra bold center body, and feminine muscle design are exactly the blend of traits that are required of a foundation female. Plus, the mating options are endless. Just look at both sides of her pedigree! One of the most elite Red Angus bulls and some of the best Charolais genetics out there. Breed her Charolais and keep the Charolais composite theme going or eventually breed her clubby and make your next county fair winner. No matter what direction you plan on going, one thing is for sure, it will come following a really fun show campaign! This heifer has a great personality but can be a little anxious at times.

## **LOT # 3 - TS ROXY 226P (AMAA #575718)** —

**SIRE:** TLAC Safety First 1913J (AMAA #525753)

**DAM SIRE:** TS Rio's Rain 21210 (Simplify 22C x Rio (AMAA #528819))

**DOB:** 2/26/26

Cow Power.... genuine cow power! This one has all the superlatives: She's the highest performing, the boldest in her rib design, studies with the most power from every angle, and still ties it all together in an aesthetically pleasing, well-balanced package. High Maines don't always come with this kind of body dimension, so take advantage and reap the rewards in the showing. And with the great, highly fertile "Rain" cow on the bottom side of this one's pedigree, you should bid with confidence, both early and often! She does have the show heifer mentality, and can be dramatic and pushy.

# HEIFERS

## LOT # 4 - MVD CHANEL (NOT REGISTERED)

**SIRE:** Lovin Size

**DAM:** Neuschwander's CoCo (Trust in Me x Choppin Wood)

**DOB:** 2/01/26

This one is bred to be a steer momma! She is sired by Lovin Size and is out of the great CoCo (Trust in Me) heifer sold in the '24 LOTF Sale, and if you were lucky enough to see CoCo on the show trail, you'll know where this girl gets her stuff from. Plus, we're starting to see quite a few high-quality calves being marketed out of Lovin Size daughters as well. What makes this one especially unique is her added width, extra round center rib, unmatched topside shape, with a hip and stifle that'll make most fat steers jealous. Add this gal to your collection and you'll immediately be in the show steer business! She is show kid ready!

## LOT # 5 - TS FANCY LADY 202P (ACA #433818 [CHI-COMPOSITE])

**SIRE:** Hunter Biden's Laptop (ACA #496779)

**DAM:** 4LS Lady Blue Chip x Blue Chip (ACA #C240636)

**DOB:** 2/02/26

Decisions...decisions. Do you buy this one as a potential market heifer or buy her and show her as a high-quality AOB female? How about both?! Well, doesn't matter, because whatever you decide, she will be a contender! She has the necessary power to play on the market side, yet still the right proportions, build quality, and feminine character to win against the ladies. Her momma is a real dandy and her granddam is one of Shane Strickler's lead donors. This heifer is quiet and knows her job.

# STEERS

## LOT # 6 - CWCS CADE

**SIRE:** Business Done Right

**DAM:** Holtcamp 16 (Reckoning x Maine-Angus)

**DOB:** 2/25/26

The 16 cow's first calf made the sale last year and was a class runner-up at this year's Marion County Fair. But, make no mistake about it, her BDR calf from this year is on a whole 'nother level! He has the functional fat steer look right now: Quality feet and legs, check. Robust middle body, check. Massive top and hindquarter, check. There are several no-brainers in this year's line-up, and he is certainly one of them! This guy is a little nervous and would need a partner who has a little more experience.

## SPECIAL OFFERING

## LOT # 7 - TSCC JOHNNIE WALKER

**SIRE:** No Guts No Glory

**DAM:** Jade (I-80 x Blue Chip)

This mating flat out works! The Jade cow did it last year and that calf was just crowned Grand Champion Market Steer at the recent Benton County Fair in Corvallis for the Bradley Family. Why fix it if it isn't broken? We do think this year's version is even a notch better than last year's Jameson. Based on what he looks like now, when he hits his market endpoint, very few steers are going to have his blend of ring appeal and impressive muscle shape. He just hits you different and like we mentioned before, the guesswork has been removed from the equation. This mating has worked in the past and mark my words, we'll be talking about it again next year! And not to mention, when you purchase this steer you will get a tax donation benefit, as half of what this steer sells for will be donated back to the LBCC Livestock Judging Team, REAL Oregon, and the Oregon FFA Foundation. This fella is just a little nervous and would need a partner who has a little more experience.

## LOT # 8 - GCC RUSH

**SIRE:** Striptease

**DAM:** TS Ruby's Raina (Uno Mas x First Impression)

**DOB:** 3/03/26

A star-headed sweetheart! One of the greenest calves in the sale, but one that will only get better with time and feed. He has the tidy front end and right progression of width, with an extra wide pin set to boot. Add his pedigree to the mix and he has all the right markers to make a great market steer! And this gentle boy is definitely FIRST YEAR SHOWMAN APPROVED.

## LOT # 9 - TSCC CHAMP

**SIRE:** BWM On Set

**DAM:** Royal (Rio x I-80)

**DOB:** 4/15/26

Wild, Wild, Wild! Not his disposition of course, but rather his incredibly exotic look. This April baby has zero chest and throat, a neck a mile long, and a top and hip that are simply exaggerated. When this dude bodies down and becomes a fat steer.... Look-out! Perhaps as high a ceiling as any calf in the sale. He's been a favorite of TJ's since he hit the ground, and for good reason! And with a little more time on the halter, he will go anywhere with you. He's just young.

# STEERS

## LOT # 10 - RR UNO

**SIRE:** Piece Of Mind

**DAM:** Snots (3099 Poison Arrow x Bankroll)

**DOB:** 4/25/26

The young Bankroll cow did it again. Her Nightwatch heifer calf in last year's sale was a fan favorite, and we guarantee that her POM baldy steer calf this year is going to have many amigos as well! Right? Because who doesn't love a good..... Never mind, we already know the answer to that.... We all love a good baldy! Especially one with this kind of build. He has a sweet look up front and uniquely marries that with a huge hip and extra stout hind leg that hits the ground like it's supposed to. Youngest calf in the sale, but arguably one of the BEST. Puppy dog gentle, sweet, and patience.

## LOT # 11 - MVD ROCKY

**SIRE:** Do What's Right

**DAM:** TS Raining Rolex Money (Daddy's Money X Simplify)

**DOB:** 3/05/26

The color outlier of the offering. Grey? Brown? You decide. What you don't have to decide is if he's any good or not. That is evident as soon as you lay eyes on him. This little guy is out of the famed "Rolex" cow that Maya Van Dyke successfully campaigned and who is still finding her way to the backdrop as a cow/calf pair. That's right, this steer has already been shown a few times (Linn Co. Fair & OSF) and has already been complimented for his quality. And why not, fundamentally sound, neat in his shoulder and neck, and gorilla-backed! This guy has a BIG future in front of him. Just look at who is momma is! He's already been in the showing twice, he's ready to go!

## LOT # 12 - TSCC ROCCO

**SIRE:** That's Right

**DAM:** Rio (Uno Mas X First Impression)

**DOB:** 3/20/26

What show do you want to win??? That's Right! We asked the question and have as much confidence (maybe more) in this one as any we've ever offered or raised. This That's Right son has just gotten better and better and better. Great big top, huge body, massive rump, show ring proportions, with impeccable lower joints. His blend of strengths would get even the staunchest of purebred and commercial cattlemen excited! And for those that have followed our genetics, you all know the cow that has been foundational to our program. That's Right, the famous Rio cow is this guy's momma and she just entered the donor pen. That's Right, you'll see more of this mating in the future because we like this calf that much. So, I'll ask it again.... That's Right, what show do you want to win? This big boy will need someone with a touch more experience. He knows his job, just needs to be matched with the right person.

# STEERS

## LOT # 13 - RR BRADLEY

---

**SIRE:** Run For The Roses

**DAM SIRE:** Jennifer (Bankroll X 9130 Business Done Right)

**DOB:** 2/27/26

We have loved this handsome orange steer from the word go! And why not? He's got the soft hair, the big legs, the balanced flankline, and a hip that's outright obnoxious. We think they'll all get better with more time on feed, but this is one that we can't wait to see at his final endpoint with some purple in the background! Another one out of a great, young Bankroll cow. Fun personality and can work for any type of showman.

## LOT # 14 - CWCS COLE

---

**SIRE:** Piece Of Mind

**DAM:** 10

**DOB:** 1/30/26

To be perfectly honest, we wish this one was a heifer calf. That being said, he is going to make somebody an excellent show steer project. His skeletal build is really hard to pick a hole in. Ultra attractive up front, the right length and balance in the appropriate places, all over a big set of high-quality feet, and legs that hit the ground just right. It would be impossible for this one to take a bad picture.... His near perfect build simply will not allow it. An easygoing fella who can overreact at times but can't we all.

## LOT # 15 - BF BULLEIT

---

**SIRE:** Told Ya So

**DAM:** Redneck (Monopoly son)

**DOB:** 2/10/26

Fat steer look with fat steer power! That must mean he's a fat steer deluxe model. The fella possess big legs with a big center rib, with a big ol' caboose that follows up. Not a lot of question marks with this one, what you see is what you get and in this case, that's real, real good! A gentle giant who is easygoing and laid back.

## LOT # 16 - BF RYE

---

**SIRE:** In God We Trust

**DAM:** Who Made Who

**DOB:** 2/13/26

Take a look here! Another orange baldy steer that comes from our friends at Boyer Farms. This cute little guy brings a ton of quality to the mix. A blend of the right show steer look with some extra stoutness and the right kind of structural build to facilitate future power deposits. And did you notice the pedigree on this calf? A mating proven time and time again! This guy has a solid demeanor.

# STEERS

## LOT # 17 - BF YELLOWSTONE ET

**SIRE:** In God We Trust

**DAM SIRE:** M&M MS Watt 5054 PLD ET

**DOB:** 2/22/26

The only ET calf in this year's offering and he's flat out a great one! Whitey! Don't be afraid of how bright white this dude is, because he's simply going to stand out regardless of color and competition. He's that good. Livestock that actually have the right balance are rare and he certainly distributes his weight correctly while bringing some extra bells and whistles to the table in terms of bone, shape, and ring presence! This stud has a playful disposition and is super sweet.

## LOT # 18 - TS WIN WITH WILSON 05P (AICA #M1026992)

**SIRE:** RF Elevate (AICA #M985091)

**DAM:** KRLE Miss Resource Wind 037H (AICA #F1301736)

**DOB:** 3/12/26

Purebred Alert! This purebred Charolais steer is the maternal brother to the two-time Arizona National Champion Charolais Bull, the Res. Supreme Champion Bull at AZ, and the 2025 NILE Champion Charolais Bull – Woodford! Another mating where the guesswork has been eliminated.... Whether you're trying to win a county show or want to try your luck at Charolais Junior Nationals, this extra shapely, fundamentally sound, good-looking critter is right up your alley! And I'm here to tell you these Chars have some fun personalities too! Sammy broke and approved!

## LOT # 19 - T-S KONG 305P (ASA #4731713)

**SIRE:** W/C Bet On Red (ASA #3808091)

**DAM:** Gohr Kadance 8079F (ASA #3593055)

**DOB:** 3/05/26

Purebred buyers gather 'round! Here's the other purebred in the line-up, this time in a Simmental model. A Bet On Red to boot! The Bet On Red steer sold in last year's sale found his way to the backdrop on a few occasions and I don't see why this year's version can't do the same. Additionally, this fella's momma is out of TJ's favorite cow and she's produced numerous winners at every type of show. Just look at the front cover of the sale catalog and the winner's page in the back. Of the 12 winners listed, 7 of them are from this sire and this dam. This year, we combined them for you! He's super sweet, easygoing and just the kindest gentleman.
