

DAILY BIBLE STUDY APP

OPEN BOOK

Open Book provides high-quality daily Bible studies that teach you how to interact with scripture on both a personal and academic level by striking a balance between devotional encouragement and textual exposition.

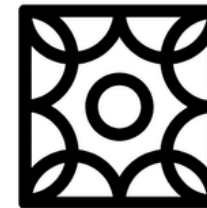

Open Book takes the good from social media and leaves the rest. Scroll through snapshots of other users' coffee cups, messy living rooms, or airport terminals and be encouraged by the Bible's timeless ability to fit perfectly into everyday life.

All content is written and edited by WELS Lutherans with **no** AI involvement.
